

AA NAME	AA COLOR	AA BLOOM TIME	AA PLANT HEIGHT	AA DESCRIPTION/SPECIAL FEATURES
'Fancy Wheeler	Light green foliage, gold, red flowers	Summer - Fall	8"-10" x 12"-16"	Attracts Butterflies. Deer Resistant.Heat tolerant and actually prefers poorer soils. They got their name from the fact that they used to blanket North American prairies with their blooms.Blanket Flowers are valuable in the summer border.
4 Luck Red Green	Deep green, purple black, red, variegated foliage, white flowers	Summer	4"-5" x12"-18"	A very nice filler plant in tubs or mixed containers. Because of its vigorous habit, do not plant next to slow-growing alpine plants that might get smothered. Trim back hard in midsummer to rejuvenate the foliage, if plants begin to look scruffy.
Acaena microphylla	Bronze foliage, red, green flowers	Summer	2"-4" x 12"-23"	May be clipped back in early spring. Although nice in the rock garden, plants can grow beyond where they are wanted, so keep a firm upper hand. Evergreen in mild winter regions. Drought Tolerant. Deer Resistant.
Achillea ageratifolia	Silver, grey-green foliage, white flowers	Summer	6"-8"	Suitable for edging in the sunny border or growing in the rock garden. Requires excellent drainage, tolerates poor dry soils. Native to northern Greece and the Balkan
Achillea millefolium 'Heidi'	Deep green foliage, creamy yellow, deep pink, light pink flowers	Summer - Fall	18"-23"	Inclined to spread, trim back hard after the first flush of bloom to maintain a compact habit. Heat tolerant. Excellent for cutting, fresh or dried. Full Sun.
Achillea millefolium 'Paprika'	Deep green foliage, creamy yellow, light pink, red flowers	Summer - Fall	18"-27" x 18"-23"	Rabbit Resistant.
Agastache	Purple to orange	Summer - Fall		Tubular flower, Hummingbirds are attracted to them.
Agave	Blue			Native to the Southwestern United States and Mexico, and it thrives in hot, dry locations, foliage with spines on the tips of the leaves, low maintenance.
Ajuga reptans bronze form	Bronze foliage, deep blue flowers	Spring - Summer	4"-6" x 12"-18"	Plants quickly form a low carpet of medium-sized, rounded leaves, in an attractive bronzy-purple shade. Short spikes of deep blue flowers are an added. Not the best choice for extremely dry shade conditions, like under maple or evergreen trees.
Alan Bloom	Deep green foliage, deep pink flowers	Spring - Summer	6"-12" x 18"-23"	This variety forms a bushy mound of fine-textured green foliage, bearing a nice display of subtly striped bright-pink flowers in late spring and well into the summer.
Albiflorus	Light green foliage, white flowers	Summer	1"-2" x 12"-18"	This flat-growing variety features fragrant light-green leaves, smothered by snow-white flowers in early summer. A slower growing form, but still excellent as a drought-tolerant lawn substitute or for planting between flagstones.
Albomarginata	Deep green, variegated, white foliage,	Fall	23"-35" x 12"-23"	Toad-lilies are rather bizarre, but rewarding plants, for late display in the shady garden. Rabbit Resistant. Excellent as a cut flower.
Album	Light green foliage, white flowers	Spring - Summer	10"-12" x 23"-29"	Plants stand up well to a wide range of soil and climate conditions, including hot, humid weather. Easily divided in spring or fall. One of the best choices for massed plantings, filling in quickly to create a bushy groundcover. Often shows good bronzy-red fall colour.
Albus	White	Summer - Fall	24"	Sprawling plant with blue-green leaves. Reseeds. Deadhead to promote continual blooming.
Alchemilla mollis	Grey, green foliage, green, yellow flowers	Summer	12"-18" x 18"-23"	Plants form a mound of rounded, velvety soft olive-green leaves. Sprays of chartreuse flowers are a nice filler for cut arrangements. An easy-care, growing well in sun or shade.
Alexander's White	Deep green foliage, white flowers	Spring - Summer	8"-10" x 12"-23"	Prefers a well-drained site, so avoid heavy clay soils that stay wet in winter. Not easily divided. This selection is smothered by clusters of small white flowers in late spring and often again in the autumn.
Allium cernuum 'Hidcote'	Deep green foliage, deep pink,	Spring - Summer	12"-18" x 8"-12"	Nice in the rock garden or perennial border. Dried seedheads remain attractive well into the winter. Attracts Butterflies. Drought Tolerant. Deer Resistant.
Allium senescens	Deep green foliage, light pink,	Summer	12"-23" x 12"-16"	German Garlic, this is an ornamental species of onion. It forms a tuft of flat, grassy-looking green leaves. Tolerating most soil conditions. Deer Resistant. Attracts
Allium senescens var.	Grey green foliage, deep pink flowers	Summer - Fall	6"-8" x 8"-12"	Ornamental Onion, perfect for the sunny rock garden, for edging. Very easy to maintain. Attractive to butterflies. Drought Tolerant.
Alyssum wulfenianum	Grey green foliage, yellow flowers	Spring - Summer	4"-6" x 12"-18"	Requires good drainage. Deer Resistant. Drought Tolerant. This rock garden perennial is also suitable for edging a sunny border. Clip plants lightly after blooming to
Angel's Blush	Silver foliage, light pink, white flowers	Summer	23"-35" x 16"-20"	Attracts Butterflies.Deer Resistant. Attracts Hummingbirds.Foliage often needs to be tidied in early spring. Drought tolerant once established. Flowers are excellent
Apache Plume	Whitish stems, light green leaves, rose and pink colored plumes	Summer - Winter	5' x 5'	Native Colorado deciduous shrub, white flowers in mid summer.
Aquilegia caerulea Origami Red and White	Light green foliage, red, white flowers	Spring - Summer	14"-18" x 12"-18"	Deer Resistant. Rabbit Resistant. Great in containers. Since Columbines are relatively short lived, allow some of the plants to go to seed and self sow. Leaf miners or sawfly may disfigure the leaves around flowering time.
Aquilegia canadensis	Light green foliage, orange, yellow flowers	Spring - Summer	23"-35" x 12"-23"	Attracts Hummingbirds. Drought Tolerant. Deer Resistant. Excellent for cutting. Since Columbines are relatively short lived, allow some of the plants to go to seed and self sow. Leaf miners or sawfly may disfigure the leaves around flowering time.
Aquilegia vulgaris var.	Light green foliage, purple, red flowers	Spring - Summer	8"-16" x 10"-12"	Attracts Hummingbirds. Excellent for cutting. Since Columbines are relatively short lived, allow some of the plants to go to seed and self sow.
Arabesque Red	Deep green foliage, red, white flowers	Spring - Fall	20"-23" x 16"-18"	Also known as 'Summer Snapdragon'. Nice for cutting. Attractive to both butterflies and hummingbirds.Rabbit Resistant. In the deep south, plant in part shade.
Arizona Red Shades	Light green foliage, red, yellow lowers	Summer - Fall	10"-12" x 10"-12"	This selection blooms profusely even in the first year, forming a low, compact mound. large, crimson-red daisies, some with yellow tips, appearing from June into the autumn. Thrives in hot, sunny sites. Attractive to butterflies. Deer Resistant.
Arizona Sun	Light green foliage, gold, orange flowers	Summer - Fall	8"-12" x 12"-16"	Attractive to butterflies. Drought tolerant once established. Not the best choice for heavy clay soil that will stay wet through the winter. Removing faded flowers will encourage constant blooming. Rabbit Resistant.
Asclepias tuberosa	Light green, yellow, orange, gold flowers	Summer	23"-35" x 18"-23"	CAUTION: Harmful if eaten. Primary source of food for the both the adult and juvenile Monarch Butterfly. Deer Resistant. Drought Tolerant. Used in dried arrangements, and should be picked and dried while still green.
Aspen daisy/Showy daisy	Lavender blue with yellow centers		12"-18"	Rich green foliage, daisy-like flowers, attracts butterflies, most soils.
Aster ericoides	Light green, white, yellow flowers	Summer - Fall	29"-35" x 18"-23"	Drought Tolerant. Attractive to butterflies. Grown commercially as a florist's flower, and excellent for cutting. Rabbit Resistant.
Aster ericoides Earl King	Light green, light blue flowers	Summer - Fall	35"-47" x 23"-29"	Attracts Butterflies.Drought Tolerant. Rabbit Resistant. Grown commercially as a florist's flower, and excellent for cutting. Tolerates dry soil better than most aster selections.
Athyrium otophorum	Grey green foliage, no flowers	Spring - Winter	12"-18" x 12"-18"	Deer Resistant. Also called Auriculate Lady Fern. This Japanese species is a nice selection for edging in the woodland or shady rock garden. Rabbit Resistant.
Atomic Blue	Deep green foliage, deep blue flowers	Summer	16"-20" x 14"-18"	Attracts Butterflies.Rabbit Resistant. A hybrid Speedwell selection, this forms a bushy and compact mound of healthy, fresh green leaves.
Aureum	Chartreuse, gold foliage, mauve/lilac flowers	Summer	6"-12" x 18"-23"	Attracts Butterflies. Rabbit Resistant. Deer Resistant.This selection features clusters of soft mauve flowers in midsummer, over a low mound of golden-yellow foliage. Plants are great for edging, or in tubs and mixed containers.
Autumn Joy	Salmon pink	Fall	18"-24"	Upright clump bears thick, rounded, blue-green leaves with flat flower clusters.
Autumn Joy	Light green foliage, deep pink flowers	Summer - Fall	12"-23" x 18"-23"	Attracts Hummingbirds. Rabbit Resistant. Deer Resistant.most popular of these, a familiar sight when it begins to produce green broccoli-like buds in mid-summer, which gradually open into enormous dusty-pink flower heads, finally deepening to rich bronzy-red.
Autumn Red	Deep green foliage, red, yellow flowers	Summer	27"-35" x 18"-23"	Rabbit Resistant. Plants do not usually require dividing for several years, but are easily split apart in fall or early spring. Spent flower stems can be trimmed back after flowers are finished. Remove old foliage in late fall. Flowers are edible.
Aztec Gold	Gold foliage, deep blue flowers	Spring - Summer	4"-6" x 12"-18"	Trim plants back after blooming. Foliage becomes chartreuse in partial shade. Also worth considering for use in mixed containers, the foliage contrasting beautifully
Azure Fairy	Pink - purple, blue with yellow centers	Summer	18"-24"	Grow in well-drained soil, deadhead for rebloom.
Azure Wing	Deep green foliage, light blue, white flowers	Spring - Fall	4"-8" x 6"-8"	Also known as Viola, or Horned Violet. This lovely strain, part of the Penny™ Series, produces bicolored white and soft sky-blue flowers with a tiny yellow eye. Plants are low and compact, producing flowers throughout the cooler months of the year, especially in spring and fall.

Ballerina Red	Deep green foliage, red flowers	Summer	12"-14" x 12"-16"	This selection bears rose-red flower clusters for many weeks starting in mid-spring. Trim off the spent flowers to encourage repeat blooming. Deer Resistant.
Ballota pseudodictamnus	Grey, green, silver foliage, deep pink, white flowers	Spring - Summer	12"-23" x 12"-18"	Known as False Dittany or False Divinity. Needs very good drainage, thrives in poor soils. A good candidate for a raised bed or rock garden. Drought Tolerant.
Banana Cream	Deep green foliage, white, yellow	Spring - Fall	4"-6" x 6"-8"	All pansies and violas have edible flowers. Trim plants back by half in early June. Flowers are fragrant. Nice compact habit. Sometimes these will flower all winter in
Bandera Pink	Grey green foliage, deep pink, red flowers	Summer	8"-10" x 10"-12"	Also called French or Butterfly Lavender. This selection is a breakthrough, the first commercially grown Spanish Lavender from seed, and offers masses of soft pink flags on spikes with deep rose flowers on a cute compact mound of fragrant, silver-green foliage.
Bandera Purple	Grey green foliage, mauve/lilac, purple	Summer	8"-10" x 10"-12"	Attracts Butterflies. Rabbit Resistant. Excellent in mixed containers, as well as a hot, sunny border. May be wintered indoors in cold regions. Drought tolerant once
Baptisia australis	Grey green foliage, deep blue flowers	Spring - Summer	35"-47" x 29"-35"	Native North American wildflower, False Indigo is an excellent choice for sunny gardens all over the continent. Makes an excellent cut flower, also attractive to butterflies. Drought tolerant. Attracts Hummingbirds. Deer Resistant.
Basket-of-gold	Yellow	Spring	6-12"	Narrow gray-green leaves contrast with bright flowers in bloom.
Beauty of Livermere	Light green foliage, red flowers	Spring - Summer	35"-39" x 18"-23"	Attracts Butterflies. Rabbit Resistant. This strain features deep oxblood red flowers and has a tall habit. Because they disappear in summer, place something beside Oriental Poppies that will get bushy later in the season, such as Rudbeckia, Russian Sage, or fall-flowering grasses.
Bee Balm/Horsemint	Pink and lavender	Summer	24" x 24"	
Bee Balm/Wild bergamot	Pink to lavender		12-36"	Upright growth with fragrant foliage, profuse wispy flowerheads, good air circulation will lessen powdery mildew, well-drained soils.
Belamcanda chinensis	Deep green foliage, red, orange flowers	Spring - Summer	35"-47" x 18"-23"	Flowers last only a short time but are followed by pods of showy black seeds. These are excellent for cutting, and may also be dried for winter arrangements. Prefers
Bella Blue	Light green foliage, deep blue flowers	Summer - Fall	6"-8" x 8"-10"	Native to Europe, Asia, North Africa and North America and may be found in common lawn seed. They are dainty, low-growing plants, members of the mint family, that are very showy in the landscape and thrive in moist soils.
Bella Blue	Light green foliage, deep blue flowers	Summer - Fall	6"-8" x 8"-10"	Self-Heal, also known as 'Allheal' was named due to its alleged medicinal properties. Most are native to Europe, Asia, North Africa and North America and may be
Berggarten	Grey green foliage, deep blue flowers	Summer	12"-18" x 12"-18"	Attracts Butterflies. Rabbit Resistant. Spikes of violet-blue flowers appear in early summer. Excellent in mixed containers. May be wintered indoors in cold regions.
Big Ears	Silver foliage, deep pink flowers	Summer	12"-18" x 12"-23"	Attracts Butterflies. Tolerates heat and humidity. Unlike most other selections, this variety seldom blooms, remaining effective all through the summer and fall with little maintenance required. Clumps may be easily divided in fall or early spring. Drought tolerant once established.
Bigtooth Maple	Rose color, yellow to red	Summer - Fall	20-30" high by 20-	Native to the inter-mountain West, related to the sugar maple, growing as multi-stem, it likes full sun to partial shade and low to medium water
Black Beauty	Light green, black, purple flowers	Summer	59"-70" x 12"-18"	Drought Tolerant. Rust is a problem, in humid summer regions. Attractive to both butterflies and hummingbirds. Features large, single purple-black flowers with a
Black Delight Improved	Deep green foliage, black, yellow	Spring - Fall	6"-8" x 6"-8"	Excellent compact habit. Sometimes these will flower all winter in climates with mild weather. This variety has little flowers that are pure, velvety-black with a bright
Black-eyed Susan	Yellow	Summer	24" x 7"	
Black-eyed Susan	Yellow with brown to black center		12-24"	Fuzzy green leaves with daisy-like flowers; biennial to short lived perennial; reseeds; most soils.
Blackberry	Deep green foliage, black, purple,	Spring - Fall	6"-8" x 6"-8"	The Sorbet Series is a completely new generation in Viola cornuta. It delivers amazing uniformity across a wide range of dazzling colours, more blooms on every
Blanketflower	Yellow, orange, red, brown centers	Summer - Fall	18-24", 12" x 12"	Related to sunflowers. North American native, low-water garden. Fuzzy gray-green leaves, large daisy flowers, well-drained soils.
Blonde Ambition	Blue grama grass	Spring - Winter	30-36" high and 30-	Multiple seasons of interest, curled seed heads.
Blood Brothers	Blue, red, variegated foliage, red	Summer - Fall	47"-59" x 31"-35"	Great in a sunny border. Discovered by Canadian gardener Dale Smith as a sport of 'Heavy Metal' in her former garden near St. Thomas, Ontario.
Blue Avena Grass	Blue - gray leaves	Summer		Unique texture, seedheads gracefully arch, requires little maintenance or supplemental watering.
Blue Bomb	Deep green foliage, deep blue flowers	Summer	1"-2" x 10"-12"	A hybrid Speedwell (aka Austrian Speedwell) that forms a bushy mound of narrow green leaves, bearing upright wands of bright blue flowers, looking very Astilbe-like, for weeks on end, starting in early summer.
Blue Elf	Deep green foliage, deep blue flowers	Spring - Fall	4"-8" x 6"-8"	Deer Resistant. Usually treated as bedding annuals, Johnny Jump-ups will overwinter, or at least self-seed each year.
Blue Ensign	Deep green foliage, deep blue flowers	Spring	10"-12" x 12"-18"	Deer Resistant. Attracts Butterflies. Despite their unfortunate common name, Lungworts are among the most dependable and showy spring-blooming perennials, and many types have attractive foliage throughout the season.
Blue Flax	Blue	Summer	12-24", 18" x 12"	Sky blue flowers on airy stems.
Blue Fortune	Blue, violet	Summer - Fall	24-48"	Dark green leaves on stout stems.
Blue Grama	Green	Summer	18" x 12"	
Blue Jean Baby	Grey green foliage, deep blue,	Summer - Fall	27"-33" x 33"-35"	Attracts Butterflies. Attracts Hummingbirds. Rabbit Resistant. Deer Resistant.
Blue Jean Baby	Deep green foliage, deep blue,	Summer - Fall	27"-33" x 33"-35"	Russian Sage is extremely valuable for its long season of bloom in the summer garden. Plants form a bushy upright clump of greyish leaves that are lacy and
Blue Mirror	Grey green foliage, deep blue flowers	Spring - Summer	4"-6" x 12"-18"	Rabbit Resistant. Drought Tolerant. This German selection makes an early summer display of clear blue flowers, held on short spikes above a low carpet of grey-
Blue Mist Penstemon	Blue, purple	Spring - Summer	12" x 12"	
Blue Pixie	Deep green foliage, deep blue, purple	Summer - Fall	20"-23" x 18"-23"	Drought Tolerant. Deer Resistant. Rabbit Resistant. A refined cousin to the common roadside mullein, this is a showy and compact selection for the well-drained
Blue Queen	Grey green foliage, deep blue flowers	Summer	18"-23" x 18"-23"	Attracts Butterflies. Attracts Hummingbirds. This selection is medium in size, with flowers of bright violet-blue. Remove faded blooms to encourage repeat flowering. Excellent for cutting. Drought tolerant once established. Also tolerates heat and humidity.
Blue Sapphire	Deep green foliage, light blue flowers	Spring - Summer	10"-12" x 18"-23"	This compact selection forms a bushy mound of small, ferny green leaves, bearing loads of small sky-blue flowers for weeks on end. Trim plants back in midsummer to encourage repeat blooming in the autumn. Deer Resistant.
Blue star	Blue		10-15"	Clusters of star-shaped flowers, foliage turns clear yellow in fall.
Blue Wonder	Deep green foliage, deep blue, purple	Summer - Fall	18"-23" x 18"-23"	Rabbit Resistant. Native to the Himalayas to eastern Asia, they grow naturally at the edge of forests, preferring shade and rich, moist soil, hardy enough to handle
Blueberry Taffy	Deep green foliage, purple, red, mauve/lilac flowers	Spring - Fall	16"-18" x 16"-18"	Attracts Hummingbirds. Attracts Butterflies. Rabbit Resistant. Plants form a bushy upright clump, bearing several spikes of large, light purple, trumpet flowers featuring red-purple guidelines in the throat.
Blushing Butterflies	Deep green foliage, light pink flowers	Summer - Fall	12"-18" x 18"-23"	Plants form a bushy, compact mound of green leaves. Although Gaura may not always winter reliably, plants flower for the entire summer and fall, so consider using it even as an annual in colder winter regions. Drought Tolerant.
Bonfire	Bronze, red foliage, yellow flowers	Spring - Summer	10"-12" x 12"-18"	Deer Resistant. Attracts Butterflies. Rabbit Resistant. CAUTION: skin & eye irritant/toxic if eaten. Flower heads have bright yellow bracts in spring and are particularly showy against the dark leaves. Excellent for edging.
Bridges' Penstemon	Scarlet red	Summer - Fall	24-36"	Southwestern native penstemon notable for late summer bloom period.
Bristol Fairy	White flowers	Summer - Fall	36-48"	
Bristol Fairy	Grey green foliage, white flowers	Summer - Fall	23"-35" x 23"-35"	Plants form a bushy, upright mound that bears thousands of tiny white double flowers, held in branching heads. Remove faded flowers to encourage repeat blooming in the fall. Attracts Hummingbirds. Deer Resistant.
Bronze Beauty'	Bronze foliage, deep green flowers	Spring - Summer	4"-6" x 12"-18"	Rabbit Resistant. Deer Resistant. Vigorous habit, and evergreen in most regions. Not the best choice for extremely dry shade conditions, like under maple or evergreen trees. Will perform well in tubs or mixed containers.
Bronze Red	Deep green foliage, red flowers	Spring - Fall	4"-6" x 6"-8"	The Patiola series have significantly larger flowers than most other Violas on the market. Flowers are edible! Bred and introduced by Syngenta Flowers.
Bronze Red	Deep green foliage, red flowers	Spring - Fall	4"-6" x 6"-8"	They have good tolerance to summer heat and a nice bushy habit. This selection features blooms of lush velvety bronze-red with a yellow eye. Flowers are edible.

Bronze Veil	Deep green foliage, brown, green flowers	Summer - Fall	33"-39" x 18"-23"	Attracts Butterflies. Rabbit Resistant. Light and billowing in effect, a wonderful contrast to bold-leaved plants. Suitable also for mixed containers. Flower stems should be cut back in late winter. Clumps may be easily divided in early spring.
Burgundy	Wine red flowers	Summer - Fall	18-24"	
Burgundy Red	Deep green foliage, red flowers	Summer	20"-23" x 18"-23"	Attracts Butterflies. Rabbit Resistant. Garden Astilbe are a popular choice for shady gardens, where they perform well if given a rich, moist soil and regular watering.
Burgundy Silk	Light green foliage, red flowers	Summer - Fall	14"-20" x 12"-18"	Attracts Butterflies. This selection has solid burgundy-red petals surrounding a darker eye. Removing faded flowers will greatly extend the blooming season. Excellent
Burnished Bronze	Bronze, purpleblack foliage, light pink flowers	Spring - Summer	12"-18" x 12"-18"	Deer Resistant. Rabbit Resistant. This recent selection forms a low mound of large lobed leaves, purple and bronze in colour, with a glossy finish. Sprays of light-pink flowers appear in late spring and through early summer.
Bush Sunflower	Yellow	Summer - Fall	20" x 18"	Freely branching bushy plant with woody base, phlox-like flowers clustered, towards top of stem, sandy soils.
Buttered Rum	Bronze, red foliage, white flowers	Spring - Summer	6"-8" x 12"-16"	This hybrid has terrific glossy foliage changing colour with the onset of cooler temperatures. The deeply cut, maple-shaped leaves begin caramel, changing to a rose-red for the fall and stay attractive all winter in warmer regions.
Butterfly Blue	Grey green foliage, light blue flowers	Summer - Fall	12"-18" x 12"-18"	Attracts Hummingbirds. Deer Resistant. Attracts Butterflies. Terrific for mass planting, edging the border, and especially in mixed containers.
Butterfly Milkweed	Orange	Summer	18" x 18"	
Butterfly weed	Orange		18-36"	Umbrella-like clusters of flowers, narrow green leaves. Attracts to butterflies, may be difficult to establish.
Buttons and Bows	Deep green foliage, gold, red flowers	Summer - Fall	18"-23" x 12"-18"	Deer Resistant. Rabbit Resistant. Great for cutting, this can also be used in mixed tubs or containers. Drought tolerant once established. Needs excellent winter drainage, not usually happy in regions with wet winter soil conditions.
California Poppy	Light blue to blue, violet		6-12"	Dense basal rosette of bright green leaves, profuse clusters of small flowers, good for rock gardens, rocky soils.
California Poppy	Yellow - orange	Summer - Fall	12-24"	Fine blue green leaves. Short-lived perennial at low elevations, annual at high elevations. Reseeds easily.
Callirhoe involucrata	Light green foliage, purple flowers	Summer - Fall	10"-12" x 23"-29"	Known as Wine Cups, native prairie plant with an amazingly long season of bloom. Tolerates heat and summer drought due to its deep taproot. Plants needs good
Candytuft	White, Glossy green foliage	Spring	12-18"	Glossy green foliage, shear after bloom, may repeat bloom in fall.
Carex berggrenii	Bronze foliage, no flowers	Spring - Winter	4"-6" x 12"-18"	Loves a moist site, and perfectly at home beside a small pond or stream. Plants will slowly creep to form a clump, and this may be easily divided in the spring. Colour is reported to be the most intense when grown in full sun.
Carex comans bronze form	Bronze foliage, brown flowers	Summer	8"-12" x 12"-23"	Drought Tolerant. Deer Resistant.
Carillo Red	Deep green foliage, red flowers	Summer	10"-12" x 8"-10"	Attracts Hummingbirds. Drought Tolerant. This hybrid combines the best traits of the Mexican and American species. They are reliable and flower the first year, forming upright, well-branched plants with shiny, dark green leaves.
Carlina acaulis subsp. simplex bronze form	Bronze foliage, white flowers	Summer - Fall	4"-6" x 10"-12"	Deer Resistant. Drought Tolerant. Performs well in hot, sunny sites, even with poor soil. Combines beautifully with other Xeriscape plants, such as Blue Fescue, Yucca, creeping Sedums, Artemisia or Lavender.
Cascade Red	Grey green foliage, deep pink, red	Spring - Summer	4"-6" x 12"-23"	Deer Resistant. Rock Cress is a popular spring-flowering rock garden perennial. It forms a low carpet of evergreen leaves, literally smothered by flowers for several
Catananche caerulea	Grey green foliage, light blue flowers	Summer	18"-27" x 10"-12"	Remove faded blooms to encourage more buds to form. Short-lived, but will often self sow. Choose a bright, sunny site with better than average drainage. Drought
Catmint	Blue	Summer		Widely used mint, blue-green foliage, equires zero maintenance.
Celestial 'Twilight'	Deep green foliage, gold, mauve/lilac, purple flowers	Spring - Fall	6"-8" x 8"-10"	Plants form a low, bushy mound of bright green leaves, with loads of fragrant pansy flowers from early spring to late fall. This selection is part of the Celestial Series introduced for their winter hardiness, early flowering, compact habit and heat tolerance.
Celestial Blue Moon	Deep green foliage, white, deep blue, yellow flowers	Spring - Fall	6"-8" x 14"-16"	Also known as Winter Pansies, these are harder than regular bedding pansies, tolerating more winter cold and summer heat. Plants form a low, bushy mound of bright green leaves, with loads of fragrant pansy flowers from early spring to late fall.
Centranthus ruber	Light green foliage, red flowers	Summer - Fall	12"-35" x 12"-18"	Drought Tolerant. Attracts Butterflies. Deer Resistant. Known as Jupiter's Beard, this is an old-fashioned cut flower being seen once again in sunny borders. A short-lived, but usually self-seeds where happy.
Centranthus ruber	Light green foliage, red flowers	Summer - Fall	12"-35" x 12"-18"	Attractive to butterflies. Excellent for cutting. Removing faded flowers will encourage plants to form buds all summer long. Good choice for hot, dry sites, this will even thrive in rock walls or between paving stones.
Centranthus ruber 'Coccineus'	Light green foliage, red flowers	Summer - Fall	21"-23" x 12"-18"	Attracts Butterflies. Deer Resistant. Also called Jupiter's Beard, this selection is slightly more compact than the species. It forms an upright, bushy mound of light green leaves, bearing rounded heads of fragrant, cherry-red flowers over many weeks.
Cerastium candidissimum	Grey green, silver foliage, white flowers	Spring - Summer	4"-6" x 10"-12"	Deer Resistant. Drought Tolerant. Rabbit Resistant. This species is well-behaved and not a rampant spreader. Excellent for edging, for rock gardens or cascading from rock walls.
Cerastium tomentosum	Silver foliage, white flowers	Spring - Summer	6"-8" x 23"-29"	A very useful groundcover, often grown in dry, sunny areas with poor soil. Be sure to plant this where its spreading habit will not become a problem.
Cerise Queen, Common	Deep Green Foliage, Deep pink flowers	Summer	18"-29"	Growing in nearly any sunny situation, even where there is poor soil. Good for cutting, fresh or dried. Remove faded flowers regularly to promote continued
Chamomile				Deer Resistant. Unusual selection of Clematis is not a vining plant at all but has a sprawling, bushy habit. Will require staking, or plants can be allowed to sprawl
Chater's Double	Light green, purple, red, salmon, white, yellow, light pink flowers	Summer	59"-82" x 12"-18"	Features a wide range of shades, all with fluffy double flowers. short-lived, but will re-seed for many years. Attracts Butterflies. Deer Resistant. Drought Tolerant.
Chater's Maroon	Light green, purple flowers	Summer	59"-82" x 12"-18"	Attractive to both butterflies and hummingbirds. Best at the back of a sunny border, with something in front to hide their bare lower stems. Rabbit Resistant.
Chater's Pink	Light green, deep pink, light pink	Summer	59"-82" x 12"-18"	Tall spikes of satiny, crepe-textured flowers making a fine display. Rust is a problem, in humid summer regions. Rabbit Resistant.
Chater's Purple	Light green, purple flowers	Summer	59"-82" x 12"-18"	Drought Tolerant. Short-lived, but will re-seed for many years. use a preventative fungicide spray for control. Attractive to both butterflies and hummingbirds.
Chater's Scarlet	Light green, red flowers	Summer	59"-82" x 12"-18"	Deer Resistant. Drought Tolerant. Rabbit Resistant. Tall strain features fluffy double flowers in shades of red and scarlet. Attractive to both butterflies and
Chater's Series Watchman	Yellow	Summer	30" x 18"	
Chater's series Watchman'	Mix	Summer - Fall	60-72"	Cutting back stalks encourages continuing growing healthy.
Chater's White	Light green, white flowers	Summer	59"-82" x 12"-18"	Best at the back of a sunny border, with something in front to hide their bare lower stems. Attracts Butterflies. Attracts Hummingbirds. Deer Resistant. Rabbit
Chater's Yellow	Light green, yellow, creamy yellow	Summer	59"-82" x 12"-18"	Tall strain features fluffy double flowers in shades of yellow. Rust is a problem, in humid summer regions. Attractive to butterflies. Deer Resistant. Rabbit Resistant.
				Deer Resistant. Drought Tolerant. Forms a low, tufted clump of star-shaped fronds, with a waxy white coating on the underside. Loves a site where the roots can stay cool and moist down among rocks. Great for wall gardens. Deciduous.
Cheilanthes argentea	Deep green foliage, no flowers	Spring - Winter	4"-6" x 6"-12"	
Cherry Brandy	Bronze, deep green foliage, light pink, deep pink flowers	Summer - Fall	12"-18" x 18"-23"	Plants form a low mound of bronzy leaves, taller stems form deep pink buds that open into soft pink blooms produced for months on end. In the breeze these move constantly, looking like a cloud of small butterflies. Attracts Butterflies. Deer Resistant.
Cherry, Plum, Peach, Apricot				
Cheyenne Sky	Blue, red, purple black foliage, red	Summer - Fall	29"-35" x 18"-23"	Stays attractive well into winter. Trim plants back to the ground in early to mid spring. Drought Tolerant. Deer Resistant.
Chocolate Flower,	Yellow with green and red centers	Summer - Fall	12-24"	Pest-free, withstands heat waves, full sun, drought and a variety of soil types, does not stand over-watering. Southeastern Colorado native. Chocolate fragrance from
Citrina	Grey green foliage, creamy yellow	Spring - Summer	8"-12" x 12"-23"	Good choice for edging, rock walls. Often planted alongside other spring blooming rock garden plants. Clip plants back by half, immediately after blooming. Deer

Clear Yellow	Deep green foliage, yellow flowers	Spring - Fall	4"-6" x 6"-8"	Flowers are edible. They have a compact and uniform habit and display excellent heat tolerance as well as numerous blooms on each plant. This lovely selection from the series features fragrant, bright yellow flowers.
Clematis recta Serious Black	Grey green, purple black foliage, white	Spring - Summer	35"-47" x 23"-29"	Deer Resistant. Unusual selection of Clematis is not a vining plant at all but has a sprawling, bushy habit. Will require staking, or plants can be allowed to sprawl
Coccineus	Light green foliage, red flowers	Summer - Fall	21"-23" x 12"-18"	Removing faded flowers will encourage plants to form buds all summer long. A good choice for hot, dry sites, this will even thrive in rock walls or between paving
Colorado Columbine	Blue, purple and white		12-36"	Delicate lobed leaves; large spurred flower; Colorado state flower; attracts hummingbirds; foliage often turns reddish in fall; organic soils.
Colorado Gold	Deep green foliage, gold flowers	Spring - Fall	6"-8" x 8"-12"	Needs excellent winter drainage to prevent rotting, so best grown in a well-drained rock garden, gravel scree or alpine trough. Drought tolerant.
Colorado Gold Hardy	Yellow orange	Summer - Fall	4-6"	Deep green linear leaves, blooms open in sunny weather.
Colored Hulk	Chartreuse, deep green foliage,	Summer	14"-16" x 16"-18"	Rabbit Resistant. Hosta are among the most popular of perennials for shady areas. Plants form sturdy mounds of foliage, topped with lily-like blooms.
Common Yarrow	White	Summer	18" x 18"	
Compact Tanyosho Pine	Dark green			Unique large shrub or small tree, requires minimal maintenance, with one or multiple bare trunks at the base with the needles forming a mound at the top.
Compacta	Grey green foliage, yellow flowers	Spring - Summer	8"-12" x 12"-23"	Most popular of spring-flowering, this is a common sight in rock gardens. Often planted alongside other spring blooming rock garden plants, such as Arabis or Aubrieta. Drought Tolerant. Deer Resistant. Attracts Butterflies.
Compass Plant				Attractive to both butterflies and hummingbirds. Best at the back of a sunny border, with something in front to hide their bare lower stems. Rabbit Resistant.
Compliment Deep Red	Deep green foliage, red flowers	Summer - Fall	27"-29" x 18"-23"	CAUTION: Harmful if eaten. Attractive to both butterflies and hummingbirds. They are terrific plants for the boggy garden, adapting well to 'wet feet', but growing equally well under average conditions.
Coneflower				Rabbit Resistant. Hosta are among the most popular of perennials for shady areas. Plants form sturdy mounds of foliage, topped with lily-like blooms.
Confetti Cherry Red	Deep green foliage, red, deep pink flowers	Spring - Summer	4"-6" x 12"-18"	Maiden Pinks are easy-care perennials, ideal for the beginning gardener. The plant forms a low, spreading mound of evergreen leaves, studded with tiny starchy cherry-red flowers in late spring, then on and off through the summer. Shear back lightly after first blooms fade.
Coral Bells	Light green, to burgundy, to silvery	Spring - Summer	Tall	Widely used favorite because they are easy to grow and care for, does very well in shade to partial sun, slender stalks.
Coreopsis verticillata 'Sizzle & Spice'	Deep green foliage, gold, red flowers, gold centers	Summer - Fall	14"-18" x 21"-25"	Excellent for cutting and mass planting. Great for edging in the sunny border, or planting in mixed containers. Tolerates heat and humidity. Good drainage is necessary.
Coronado Red	Red	Summer - Fall	15-18 in.	Silvery green leaves, minty fragrance.
Coronado Shrub	Orange	Summer - Fall	15-18 in.	Silvery green leaves, minty fragrance.
Coronation Gold	Bright yellow	Summer - Fall	36-42"	Gray-green foliage, heat tolerant.
Corrie's Gold	Deep green, variegated, yellow foliage, white flowers	Summer - Fall	23"-35" x 23"-27"	North American wild flower. Plants bloom for many weeks, with loose sprays of white flowers tinged with pale pink. In the breeze these move constantly, looking like a cloud of small butterflies. Deer Resistant.
Coriscan violet	Purple	Spring - Fall	6-8"	A drought tolerant violet.
Crabe cordifolia	Deep green foliage, white flowers	Summer - Winter	47"-70" x 35"-47"	Most bizarre and striking plant, something like a Baby's Breath crossed with a cabbage. Long-lived, needs good drainage. Mild winter regions
CrazyBlue	Grey green foliage, deep blue,	Spring - Fall	16"-18" x 12"-14"	Attractive to butterflies. Prune in spring, never in fall, to no lower than 6 inches. Selected as Perennial Plant of the Year in 1995.
CrazyBlue	Deep green foliage, deep blue, mauve/lilac flowers	Summer - Fall	16"-18" x 12"-14"	This selection is well-branched and was bred to stand tall through wind and rain. An extremely versatile garden plant, Russian Sage loves hot, sunny sites and will fit right into the perennial border, also good to use among shrubs, and even in containers or tubs.
Creeping Mahonia	yellow	spring	12" x 12"	
Creeping phlox	White, red, blue, pink	Spring	4-6"	Plants form blankets of green leaves covered with small, star-shaped flowers.
Creeping Veronica	Deep green foliage, light blue to purple	Winter - Spring		Somewhat adaptable to light and moisture conditions.
Creeping Western Sand	Bright green leaves, white flowers,	Spring - Fall		Native to the Rocky Mountains, attract birds and wildlife.
				Features single to double flowers of rich blackcurrant red, the petal edges fading to mauve and soft pink with a yellow centers. Short-lived, but will re-seed for many years. Deer Resistant. Drought Tolerant.
Creme de Cassis	Light green, red, light pink flowers	Summer	59"-70" x 12"-18"	
Crimson Butterflies	Pink, dark crimson leaves	Summer - Fall	15-18"	
Crimson Butterflies	Red foliage, deep pink flowers	Summer - Fall	12"-18" x 18"-23"	Australian selection of Butterfly Gaura. Deer Resistant. Plants form a bushy, compact mound of crimson-red leaves. Although Gaura may not always winter reliably, plants flower for the entire summer and fall, so consider using it even as an annual in colder winter regions.
Crimson Pygmy Barberry	Red with tan and blue hues			Crimson Pygmy Barberry is a compact deciduous shrub, easy to care for, and maintains a very compact and dense form.
Crystal River Veronica	Blue	Spring - Summer	2-3"	Fast-growing vigorous masses of foliage.
Curl-leaf Mountain Mahogany				Drought tolerant. They form a low, fleshy rosette of tough evergreen leaves, bearing large star-shaped flowers in late spring and early summer. This single-colour selection features flower clusters in dark pink.
Dahlia Mystic Enchantment	Purple black foliage, orange, red	Summer - Fall	18"-23" x 12"-16"	Dahlias are old-fashioned favorites for the flower garden. Plants are usually treated as tender perennials, the tubers lifted in the fall and stored indoors for the
Dahlia Mystic Haze	Purple black foliage, orange, yellow flowers	Spring - Fall	18"-23" x 12"-16"	This selection, part of the Mystic series, features stunning purple-black foliage with a great show of starchy single apricot-orange flowers that have a soft yellow halo and dark brown eye. Midsized habit.
Dark Bicolor	Grey green foliage, red, gold flowers	Summer - Fall	10"-12" x 12"-16"	Attracts Hummingbirds. Rabbit Resistant. Deer Resistant. This compact selection has bicolor petals of flame red and gold around a rust-coloured button eye. Attractive to butterflies. Drought tolerant once established. Not the best choice for heavy clay soil that will stay wet through the winter.
Dark Shiny Eyes	Deep green foliage, red, white flowers	Summer	20"-23" x 18"-23"	Deer Resistant. Flowers may be cut fresh, or dried for winter arrangements. Easily divided in early spring. Remove faded flowers to encourage more buds, also to prevent plants from self seeding all over.
Dash Crimson	Deep green foliage, red flowers	Spring - Summer	12"-20" x 12"-14"	It bears masses of showy clusters of fragrant, velvety, crimson flowers with a tiny white eye, late spring into summer. Excellent as a cut flower. Plants are easily divided in early autumn or spring. Rabbit Resistant. Rabbit Resistant.
Dash Magician	Deep green foliage, deep pink, white, light pink flowers	Spring - Summer	14"-20" x 12"-14"	Attracts Butterflies. Sweet William is an old-fashioned cottage garden plant. This selection from the Dash series is unusual because it acts as a long-lived instead of a biennial. Plants are easily divided in early autumn or spring.
Daylily	Red, orange, yellow, purple, white	Summer	12-48"	Clumps of long, medium green, grass-like leaves, leafless flower stalks bear bell-shaped flowers.
Deep Marina Improved	Deep green foliage, deep blue, white	Spring - Fall	4"-6" x 6"-8"	This lovely selection from the series features fragrant, deep blue flowers with a clear pansy 'face'. Performs best in regions with cool summers and low humidity.
Delft Blue	Deep green foliage, white, deep blue flowers	Spring - Fall	6"-8" x 6"-8"	It delivers amazing uniformity across a wide range of dazzling colours, more blooms on every plant and less stretching. It's also more tolerant of summer heat and winter cold than the annual pansy types.
Delosperma cooperi	Deep green foliage, purple flowers	Summer - Fall	2"-4" x 12"-23"	This species forms a low mat of succulent, evergreen leaves, bearing loads of small, starchy purple flowers, then on and off through the season. In regions with cold, wet winters this usually performs as an annual. Can be wintered indoors in a pot.
Delosperma nubigenum	Light green foliage, yellow flowers	Spring - Summer	2"-4" x 12"-23"	Grown in very well-drained soil. This species forms a low mat of succulent, evergreen leaves, bearing loads of small starchy yellow flowers in late spring. Foliage turns bronze in winter..
Denim Jump Up	Deep green foliage, yellow, deep blue, light blue flowers	Spring - Fall	4"-6" x 6"-8"	This selection from the series features shining, mid-blue petals, paler blue chin, dark blue face and a bright yellow eye. Wonderful fragrance. A colour combo not seen before and highly recommended.

Desert four o'clock	Purplish red, pink to purple, magenta	Summer - Fall	12-30" , 18" x 48"	Wide spreading mounded habit, trumpet-shaped flowers with yellow stamens open late morning, well-drained soils. Southern Colorado native.
Desert Willow	Pink to burgundy flowers with yellow	Winter - Summer	6-30' height, 6-30'	Multi-stem small tree, usually survives Denver winters, drought tolerant, with watering being deep and infrequent.
Dianthus barbatus Barbarin 'Red'	Deep green foliage, red flowers	Spring - Summer	6"-8" x 8"-12"	Developed to flower well even in the first year, then hopefully return for a second. Sweet William is an old-fashioned cottage garden plant that usually grows as a self seeding biennial. Rabbit Resistant.
Dianthus barbatus Barbarin Rose	Deep green foliage, deep pink, red flowers	Spring - Summer	6"-8" x 8"-12"	Self-sown seedlings may be moved in fall or early spring. Remove fading flowers to encourage more buds to form. Attracts Butterflies Developed to flower well even in the first year, then hopefully return for a second. Rabbit Resistant.
Dianthus barbatus Barbarini Lilac	Deep green foliage, mauve/lilac flowers	Spring - Summer	6"-8" x 8"-12"	Rabbit Resistant. Sweet William is an old-fashioned cottage garden plant that usually grows as a self seeding biennial. Pruning plants back hard after blooming will encourage them to survive for another year.
Dianthus barbatus Barbarini	Deep green foliage, salmon flowers	Spring - Summer	6"-12" x 20"-30"	Sweet William is an old-fashioned cottage garden plant that usually grows as a self seeding biennial. Terrific in containers. Attracts Butterflies, Rabbit Resistant.
Dianthus barbatus	Light green foliage, black, mix, red	Spring - Summer	18"-23" x 8"-12"	Sweet William is an old-fashioned cottage garden plant that usually grows as a self seeding biennial. Excellent as a cut flower. Rabbit Resistant. Attracts
Dragon's Blood	Rose red	Summer - Winter	2-4"	Mats of red-rimmed foliage turn blood-red in fall and winter.
Dropmore Hybrid	Grey green foliage, deep blue flowers	Spring - Fall	10"-12" x 12"-18"	Deer Resistant. Rabbit Resistant. Attracts Hummingbirds. In cool summer regions this will often continue to flower all summer long.
Dudley Nevill Variegated	Grey green, variegated, white foliage,	Spring - Summer	8"-12" x 12"-18"	Prune lightly after flowering is over, and remove any green shoots. Sprays of primrose-apricot flowers. springtime favorite, Basket-of-Gold, Deer Resistant. Drought
Dwarf double mix	Light green foliage, light pink, salmon, mix, red flowers	Spring - Summer	6"-12" x 20"-30"	Excellent for edging or massing. Remove fading flowers to encourage more buds to form. Pruning plants back hard after blooming will encourage them to survive for another year. Attracts Hummingbirds. Deer Resistant.
Dwarf Globe Blue Spruce	Blue		20-30" height, 20-	They do require a little more watering until they are established.
Dwarf Russian Almond	pink flowers	Spring	3-5' x 3-5'	Native to Eurasia, disadvantage of this shrub is the aggressive suckering habit which may make it hard to control, but this also makes it an attractive cover for
Early Bird	Grey green foliage, deep blue, mauve/lilac flowers	Spring - Fall	10"-12" x 10"-12"	This selection is the earliest blooming of all with flowering starting in late spring and lasting up to six weeks. It forms a mound of aromatic, grey-green leaves, bearing upright spikes of lavender-blue flowers. Excellent planted along a walkway.
Early Red	Deep green foliage, red flowers	Spring - Summer	12"-18" x 12"-14"	Attracts Hummingbirds. Attracts Butterflies. Deer Resistant.
Echinacea 'Cheyenne Spirit'	Red, yellow, orange, pink			They have few insect or disease problems, and are drought tolerant, low-water maintenance, butterflies are attracted to them.
Elise Ruby Red	Deep green foliage, deep pink flowers	Spring - Summer	4"-6" x 8"-10"	Drought tolerant. They form a low, fleshy rosette of tough evergreen leaves, bearing large star-shaped flowers in late spring and early summer. This single-colour selection features flower clusters in dark pink.
Eriogonum Heracleifolium				Deer Resistant. Unusual selection of Clematis is not a vining plant at all but has a sprawling, bushy habit. Will require staking, or plants can be allowed to sprawl
Eriogonum Ovalifolium				
Euphorbia polychroma	Light green foliage, yellow flowers	Spring - Summer	12"-18" x 18"-23"	Excellent for edging, in the rock garden, or in containers. Unusual for cutting. Usually has beautiful red fall foliage color. CAUTION: skin and eye irritant/toxic if eaten.
Euphorbia Redwing	Deep green, red foliage, yellow, green	Spring	18"-20" x 18"-23"	CAUTION: skin and eye irritant/toxic if eaten. Rabbit Resistant. Deer Resistant. A wonderful specimen plant, both in the garden as well as in tubs or
False Indigo, Leadplant	Blue	Summer	36-48"	Attractive brown seed pods. Blue green foliage.
Fernbush	Purple and white clusters	Summer - Winter		Attract butterflies and bees, extremely low water-usage plant, deer-tolerant and its leaves have been used by Native Americans to make teas for upset stomachs.
Festuca Boulder Blue	Blue nearly evergreen			can handle intense heat, the Boulder Blue has the added advantage of being rather deer resistant, Colorado native
Fiesta Time	Light green, white, deep pink flowers	Summer	31"-35" x 12"-18"	Terrific for smaller gardens where the taller types might grow too big. Excellent in containers. Control leaf rust with a fungicide spray every two weeks. Rabbit
Filigran	Grey green foliage, deep blue flowers	Summer - Fall	35"-59" x 23"-35"	Spikes of rich violet-blue flowers appear in high summer, continuing into late fall. An extremely versatile garden plant, Russian Sage loves hot, sunny sites and will fit right into the perennial border, also well used among shrubs, and even in containers or tubs.
Filou Rose	Blue, deep green foliage, light pink	Summer	4"-6" x 6"-10"	Excellent for rock gardens or cascading over walls, as well as for edging, as a groundcover in small areas and in mixed containers. Attracts Hummingbirds. Deer
Filou White	Blue foliage, white flowers	Summer	4"-6" x 6"-10"	This selection is a dwarf cousin to the more familiar tall Baby's Breath. Plants form a low mat of blue-green leaves, bearing masses of small starry, white, fragrant, single flowers in early summer, which literally smother the clump.
Findel	Deep green foliage, white flowers	Spring - Summer	8"-10" x 12"-35"	Deer Resistant. Drought Tolerant. Evergreen Candytuft is a spring blooming favourite, often seen cascading over rocks and walls, or used as a groundcover. The glossy, evergreen foliage forms a perfect mound.
Firefly	Deep green foliage, deep pink flowers	Summer	23"-27" x 12"-18"	Attracts Butterflies. An easy-to-grow perennial for the middle of a sunny border, this features small fully double round blooms of bright magenta-pink in early to mid
Flore Pleno	Light green foliage, white flowers	Summer	4"-6" x 10"-12"	Deer Resistant. A double-flowered selection of Roman Chamomile, this is delightful when grown as an ornamental edging or groundcover for hot, dry sunny sites.
Floristan Violet	Violet purple	Summer - Fall	18-36"	Clumps of grassy foliage, bottle brush blooms, good cut flower.
Floristan White	White	Summer - Fall	18-36"	Clumps of grassy foliage, bottle brush blooms, good cut flower.
Forescate	Light green foliage, deep pink, purple	Spring - Summer	10"-12" x 12"-16"	Attractive to butterflies. Clumps are easily divided in spring or fall. Flowers should be deadheaded to prevent self seeding, as the resulting plants will revert to regular
Fortunei Aureomarginata	Deep green, variegated, white foliage, mauve/lilac flowers	Summer	20"-21" x 35"-47"	Deer Resistant. Rabbit Resistant. This medium-sized selection has dark-green leaves with a distinctive golden-yellow edging. Lavender flowers appear in July. Great for massing and for planting in mixed containers or tubs.
Freckle Face	Deep green foliage, gold, orange	Summer	12"-18" x 18"-23"	Known as the Blackberry Lily, close cousin to the familiar bearded Iris. Attractive pods heads appear later, which split open to reveal clusters of black seeds.
Fremontii Shimmer	Silver foliage, yellow flowers	Summer	10"-12" x 12"-14"	Attracts Butterflies. Deer Resistant. Drought Tolerant. This plant should be added to the list of dependable, low-maintenance perennials that give colour all summer
Freya	Deep green foliage, mauve/lilac flowers	Spring - Summer	14"-16" x 10"-12"	Rabbit Resistant. This selection forms a knee-high clump of coarse green leaves and stems that bear large clusters of star-shaped, lilac-purple flowers in early
Fringed Sage, Silver Sage	Gray, Green	Summer	12" x18", 8-24"	Aromatic feathery silver foliage, evergreen, subshrub, insignificant bloom, well-drained soils.
Frizzle Sizzle	Light green foliage, light blue,	Spring - Fall	6"-8" x 8"-10"	This selection features lavender-blue and yellow flowers with a dark face. Perfect for containers and borders alike.
Frosty Morn	Light green, variegated, white foliage, light pink flowers	Summer - Fall	23"-27" x 18"-23"	Attracts Butterflies. Rabbit Resistant. The border varieties of Stonecrop are a dependable choice for the late summer and fall garden, offering foliage interest earlier in the season, then a colourful display of flowers in the fall.
Fuzzy Wuzzy	Silver, grey green foliage, deep pink,	Summer	12"-18" x 12"-23"	Deer Resistant. Attracts Butterflies. Lamb's-ears are one of the most popular foliage perennials, used widely for edging along pathways and borders
Gallery Red	Deep green foliage, red flowers	Spring - Summer	18"-23" x 18"-23"	CAUTION: Harmful if eaten. This compact selection features tall spires of red flowers in late spring through early summer. The 'Gallery Series' hybrids were developed from the species Lupinus polyphyllus, a North American native hailing from the Pacific Northwest.
Gallo Peach	Grey green foliage, orange flowers	Summer - Fall	10"-12" x 12"-16"	They form a low mound of light-green leaves, bearing upright stems of large daisy-type flowers. Attractive to butterflies. Drought tolerant. Attracts Hummingbirds.
Gallo Red	Grey green foliage, red flowers	Summer - Fall	10"-12" x 12"-16"	Removing faded flowers will encourage constant blooming. Hardiness is not yet fully determined but will quite likely be colder than zone 4. Attracts Butterflies.
Gambel Oak		Fall	25' x 12'	
Gardener's World	Silver foliage, red flowers	Summer	23"-27" x 10"-12"	Attracts Hummingbirds. Deer Resistant. Attracts Butterflies. Taller stems hold fluffy double flowers for most of the summer in a rich deep blood-red shade. Excellent for cutting. Requires good drainage.
Gaura lindheimeri	Deep green foliage, white flowers	Summer - Fall	35"-47" x 23"-35"	North American wildflower. New plants will often appear from self sown seedlings. Superb in containers, the subtle colour blends easily in borders. Drought tolerant
Gay Butterflies	Light green, yellow, orange, gold	Summer	25"-29" x 18"-23"	Drought Tolerant. Needs well-drained sandy soil. Important source of food for Monarch Butterflies. Developed from a native North American wildflower.
Gayfeather, Blazing star	Rose purple, pink	Summer - Fall	24" x 12"	Rigid linear leaves, stout spikes of fringed flowers, attracts butterflies, well-drained soils.
Genti TwisterBell	Deep green foliage, white, deep blue flowers	Spring - Summer	16"-18" x 16"-18"	Attracts Hummingbirds. Rabbit Resistant. Superb for cutting. Quickly spreads to form a small patch, but easily managed by dividing plants in spring or fall. Combines beautifully with anything gold or yellow, for contrast.

Genti White	Deep green foliage, white flowers	Spring - Summer	16"-18" x 16"-18"	Attracts Hummingbirds. Worth trying in containers. If desired, trim plants back to 4 inches after flowering, to rejuvenate the foliage and tidy up for the remainder of
Georgia Blue	Bronze, deep green foliage, deep blue	Spring	4"-6" x 18"-23"	Attracts Butterflies. Small sapphire-blue flowers are studded all over during the spring, and sometimes again in late summer. Deer Resistant.
Geranium 'Rozanne'	Violet-blue flowers, purple-violet veins	Spring - Fall	2 ½" x 12"-24"	more blooms. Good candidate for a container. Discovered in England.
Geranium × oxonianum 'Miss Heidi'	Deep green foliage, deep pink flowers	Summer	14"-16"	Forms a mound, Plants may need to be cut back hard in midsummer, one of the best choices for massed plantings. Rabbit Resistant. Full sun or partial shade.
Geranium Sanguineum	red fall color, flowers are usually a		8--to 24" high and	beak-like seed capsule, coming originally from Europe and northern Turkey. The leaves are small and deeply dissected into 3-toed lobes
Geranium sanguineum	Deep green foliage, deep pink flowers	Spring - Summer	12"-16" x 18"-23"	The shorter selections of Cranesbill Geranium are valuable edging or rock garden plants. Plants stand up well to a wide range of soil and climate conditions,
Geranium sanguineum var.	Deep green foliage, deep pink, light	Spring - Summer	6"-8" x 18"-23"	The shorter selections of Cranesbill Geranium are valuable edging or rock garden plants. Drought Tolerant. Deer Resistant. Rabbit Resistant.
Glacier Blue	Grey green foliage, light blue flowers	Spring - Summer	4"-6" x 12"-18"	Short spikes of stary pale-blue flowers completely smother the mounding grey-green foliage of this low creeper in late spring. A beautiful edging plant, great when massed or grown in the rock garden. Attracts Butterflies.
Glaucium Acutidentatum,				
Glaucium	Blue foliage, yellow flowers	Summer	59"-70" x 18"-23"	It is fairly tolerant of warm, humid summers. Features cloud-like sprays of lemon-yellow flowers that are outstanding for cutting. Rabbit Resistant.
Globularia cordifolia	Deep green foliage, mauve/lilac flowers	Spring - Summer	4"-6" x 8"-12"	This produces a low, shrubby and trailing mound of leathery, evergreen leaves. Slightly taller stems in late spring bear soft lavender-blue shaggy daisy flowers for
Goblin	Red with yellow	Summer - Fall	18-24"	Compact growth
Gold & Bronze	Deep green foliage, gold, red flowers	Spring - Fall	12"-14" x 12"-14"	Drought Tolerant. Coreopsis is always a popular choice for the perennial garden but this new series is a breakthrough. The Uptick series features tidy, mounding habit, impressively large, bi-coloured flowers and also good mildew resistance.
Gold Ball	Grey green foliage, yellow flowers	Spring	4"-6" x 12"-18"	Most popular of spring-flowering. Good choice for edging, rock walls or in mixed containers. Clip plants back by half, immediately after blooming. Drought Tolerant. Deer Resistant. Attracts Butterflies.
Gold Tip	Deep green, variegated, white foliage,	Summer	6"-8" x 18"-23"	Since this is a form of Common Oregano, the leaves are fragrant and may be used in cooking. Attracts Butterflies. Drought Tolerant.
Golden Banner	Yellow		18-24"	Spreads vigorously by rhizomes, needs room, showy spikes of pea-like flowers, well-drained soils.
Golden Columbine	Yellow		24-36"	Robust plant with lobed leaves, many spurred flowers, attracts hummingbirds, reseeds readily, clay or organic soils.
Golden Currant	Yellow	Spring	5' x 4'	
Golden Spring	Grey green foliage, yellow flowers	Spring - Summer	4"-6" x 12"-18"	This rock garden is also suitable for edging a sunny border. Clip plants lightly after blooming to maintain a bushy habit. Requires good drainage. Drought tolerant.
Golden Wonder	Light green foliage, gold flowers	Spring - Summer	6"-8" x 20"-23"	Native to South Africa. Attractive to butterflies. Easily propagated by breaking off short pieces and simply sticking them into the ground; new roots will form within
Goldenrod	Yellow		12-36"	Upright stems; spreads by underground rhizomes, spikes of flowers, attracts butterflies and bees, mistakenly blamed as cause of hayfever, clay or loam soils.
Goldmoss Stonecrop	Yellow	Summer	2-4"	Star-like flowers on short stems with bright green leaves.
Goldsturm	Golden yellow	Summer - Fall	18-24"	Golden yellow flowers with dark brown to black centers.
Goniolimon tataricum	Deep green foliage, white flowers	Summer	10"-16" x 12"-18"	Attracts Butterflies. Attracts Hummingbirds. Deer Resistant. Drought Tolerant.
Grand Mesa Penstemon	Blue		24-30"	Stunning cobalt flowers on narrow spikes, evergreen leaves.
Greenthread	Yellow		16-24"	Vase-shaped clump, finely dissected leaves, profuse daisy-like flowers over long period, well-drained soils.
Grenadin Red	Grey green foliage, red flowers	Summer - Fall	16"-20" x 10"-12"	Attracts Hummingbirds. Attracts Butterflies. Plants form a low mound of grassy grey-green leaves, bearing upright stems of fully double, florist-type flowers in shades of red and scarlet. Wonderful spicy-clove fragrance. Excellent for cutting.
Gro-Low Fragrant Sumac	Yellow	Spring	4' x 3'	
Gypsophila paniculata alba	Grey green foliage, white flowers	Summer - Fall	29"-35" x 31"-35"	One of the most widely used cut flowers, Baby's Breath is also popular for its airy, cloud-like display in the summer border. Plants form a bushy, upright mound that bears thousands of tiny white single flowers, held in branching heads. Attracts Butterflies.
Hackberry				Most popular of spring-flowering. Good choice for edging, rock walls or in mixed containers. Clip plants back by half, immediately after blooming. Drought Tolerant.
Hadspen Blood	Deep green foliage, red flowers	Summer	27"-29" x 18"-23"	This is an outstanding selection, perhaps the darkest red form that has yet been developed. Plants form a low mound of green leaves, with taller stems of flowers
Haense Herms	Deep green foliage, green flowers	Summer - Fall	35"-47" x 29"-35"	Deer Resistant. This selection forms a tall, upright clump of green leaves, bearing airy heads of tiny green flowers in late summer. Fall colour is a vibrant burgundy-red. Usually attractive in the garden all winter long.
Halo Blush	Light green, white, deep pink, yellow	Summer	59"-70" x 18"-23"	New Halo series features large, single, white flowers with a fuchsia halo and yellow centers. Rust is a problem, particularly in humid summer regions. Drought
Halo Red & Yellow	Light green, red, yellow flowers	Summer	59"-70" x 18"-23"	Best at the back of a sunny border, with something in front to hide their bare lower stems. After over 16 years of breeding, new Halo series features large, single, bright red flowers with a yellow halo in the centers
Harebells	Purple, blue	Summer	8-15", 12" x 6"	Narrow delicate foliage, nodding bell shaped flowers, most soils.
Hawthorn	White flowers, red fruits	Spring - Winter	15-25' x 15-25'	Several species and cultivars have thorns on the branches, cousins of roses.
Heart Attack	Deep green foliage, red flowers	Spring - Summer	10"-12" x 10"-12"	Attracts Butterflies. Excellent as a cut flower. Plants are easily divided in early autumn or spring. Remove fading flowers to encourage more buds to form. Prune plants back hard in midsummer if they become scruffy or floppy.
Helianthemum Nummularia	Glossy green or even blue-gray, yellow		6-12"	Tap-rooted and tolerate drought well, alkaline soil and often self-seed to make multi-colored, patches, may not be long-lived. Shearing the spent flowers can prolong
Hello Yellow	Light green, yellow flowers	Summer	16"-20" x 20"-23"	Green fruit will develop after flowering which break open to reveal seeds with the same long silvery-white, silky hairs as its cousin, the common milkweed. Important source of food for Monarch butterflies. Attractive to all butterflies, hummingbirds, bees and other beneficial insects.
Hens and Chicks	White hairs, mix			Garden succulent from Europe, grows just about anywhere, rock gardens in full sun, how easy it is to transplant.
Herniaria glabra	Deep green foliage, green flowers	Summer	0"-1" x 10"-12"	Known to be nearly indestructible, this is an excellent choice for growing between flagstones or growing as a lawn substitute. Deer Resistant.
Hesperis matronalis	Deep green foliage, deep pink, white, purple, mauve/lilac flowers	Spring - Summer	23"-35" x 18"-23"	Plants are biennial, but usually self seed to come back for years. In the first year, a low rosette of green leaves is formed. The following spring they produce upright branching heads of fragrant phlox-like flowers, in a mix of pastel pink, mauve and white.
Heuchera 'Paprika'	Red foliage, white flowers	Spring	6"-8" x 12"-16"	Deer Resistant. Rabbit Resistant. Features gently-lobed, paprika-coloured leaves with stems of white bell flower sprays. Should tolerate more sun in cool-summer

Pool Bank	Grey green foliage, purple, deep blue	Summer	29"-35" x 23"-29"	Many selections of Catmint are now available. This British variety bears loads of rich blue flowers attached to purple-blue bracts, over a tall bushy mound of olive-

Poppy Mallow	Mix	Fall - Summer		Deep roots store water through even the toughest droughts.
Poppy Spring Fever	Red, yellow, orange, white	Spring		Loves 5 plus hours of sunlight daily in well-drained soil, no natural predators.
Powis Castle	Silver foliage	Spring - Winter	23"-27" x 23"-27"	Growing best in areas with mild, maritime climates. Excellent for hot sunny sites. Smaller in height and spread than the otherwise similar selection 'Huntingdon'.
Prairie Coneflower	Bright green, flower colors include yellow with dark brown centers.	Spring - Fall	18" x 12" 12-24"	Vigorously growing perennial that requires little maintenance, seeds are easy to harvest. Upright slender stalks, finely divided leaves, prominent central cone surrounded by drooping petals, short-lived but reseeds, well-drained soils.
Prairie Fire	Blue, red foliage, deep pink flowers	Summer - Fall	47"-59" x 29"-35"	Attracts Butterflies. Deer Resistant. Attractive well into the winter. Flowers are good for cutting, fresh or dried. Trim back to the ground in early spring. Drought tolerant
Prairie Jewel Penstemon	White, lavender, rose pink, purple-	Summer	18-36"	Strain of Great Plains with giant flowers, silvery leaf rosettes.
Prairie Lode	Yellow	Summer - Fall	6"	Spreading ground cover.
Prairie Sage	Gray-green	Summer	18" x 18", 15-30"	Coarse silver foliage, insignificant bloom, aggressive grower, well-drained soils.
Prairie Smoke	Cream to deep pink		6-12"	Rosettes of gray-green fernlike foliage, nodding flowers followed by long pink feathery seed heads, prefers moist clay or organic soils.
Prairie Sundrops		Spring	8-15"	Native of Boulder County, four-petaled evening primrose-like flowers are profuse and continue for a long season.
Prairie Winecups	Dark-green leaves, wine-red colored	Spring - Fall	6-12"	Well adapted to our local climate and requires little maintenance. Trailing stems sprawl 2 to 3 feet.
Prairie Zinnia, Golden	Yellow		6-8"	Mounding habit with wispy leaves, prolific bloomer, flowers have a papery texture, requires well-drained soils.
Prickly Pear	Yellow, Apricot	Summer	5" x 18"	
Primrose Heron	Chartreuse foliage, deep pink flowers	Summer	12"-18" x 12"-23"	Lamb's Ears are popular edging plants, valued for their low spreading mat of soft, felty leaves. Spikes of magenta-pink flowers appear in early summer but are often clipped off to keep the plants short and tidy.
Prince's Plume	Yellow		24-48"	Gray-green leaves, large plume-shaped flower spikes, can be short lived, well drained soils.
Provence	Grey green, deep green foliage, mauve/lilac flowers	Summer	23"-29" x 23"-27"	A type of hybrid Lavender sometimes known as Lavandin, generally flowering in midsummer, a little later than the more common English types. Attracts Butterflies. Rabbit Resistant. Deer Resistant. Drought Tolerant.
Pure Light Blue	Deep green foliage, deep blue flowers	Spring - Fall	4"-8" x 6"-8"	Flowers are edible. Flowering continues all season in cool-summer areas. Deadheading will encourage more buds to form.
Purity	Deep green foliage, white flowers	Spring - Summer	6"- 8" x 12"-35"	Prune lightly right after blooming, but otherwise leave plants alone in fall and early spring. Drought tolerant, once established. Prefers a well-drained site, so avoid heavy clay soils that stay wet in winter. Not easily divided.
Purple Bicolor	Deep green foliage, purple, deep pink flowers	Spring - Summer	6"-8" x 8"-12"	Remove fading flowers to encourage more buds to form. Pruning plants back hard after blooming will encourage them to survive for another year. This dwarf hybrid strain produces showy clusters of fragrant flowers with purple-pink petals surrounding a darker purple centers.
Purple Face	Deep green foliage, white, purple flowers	Spring - Fall	6"-8" x 6"-8"	This eye-catcher produces dark-purple petals surrounding a white face etched with dark-purple. Flowers are fragrant. Excellent for massing, edging, rock gardens and in hanging baskets and other containers.
Purple Form	Grey green, blue foliage, deep pink	Summer - Fall	2"-4" x 10"-12"	Many varieties of stonecrop are excellent as ground covers, and all do well in dry, well-draining soil. As with many sedums, avoid rich, moist soils or this one will do
Purple Iceplant	Violet purple	Summer	2-4'	Succulent gray-green leaves turn red, purple in winter.
Purple Majesty	Purple black foliage, creamy yellow flowers	Summer - Fall	35"-59" x 29"-35"	Useful in borders, containers. Leaves start out green in spring then turn a shimmering dark mahogany purple during the summer heat. Wait until the spring weather warms before planting outdoors. Drought Tolerant.
Purple Picotee	Deep green foliage, white, yellow, mauve/lilac flowers	Spring - Fall	4"-6" x 6"-8"	This adorable selection from the series features fragrant, flowers in soft ivory with lavender picotee edging and yellow eye. Performs best in regions with cool summers and low humidity. Flowers are edible!
Purple Pixie	Deep green foliage, purple flowers	Summer	16"-23" x 18"-23"	Bellflowers are among the most popular of perennials. This is an outstanding selection with a mid-sized habit. Plants form a mound of coarse green leaves, bearing large clusters of deep purple-blue flowers in mid-summer.
Purple poppy mallow, Wine	Magenta with white centers		4-10"	Spreading groundcover with scalloped leaves, long blooming, likes heat, dry clay soils.
Purple Prairie Clover	Purple	Summer	24-36" 24" x 18"	Narrow leaflets, slender stems, cylindrical heads of fragrant flowers, fixes nitrogen, well-drained soils.
Purple Winter Savory	Purple-blue	Fall	4-6"	Evergreen mounds with late-season showy flowers.
Purpurea	Deep green, purple black foliage, white flowers	Summer - Fall	35"-47" x 23"-27"	Will require staking, or plants can be allowed to sprawl through an adjacent shrub. Prune to the ground in fall or early spring.
Pussytoes	Cream, pink	Spring - Summer	2" x 6"	Spreading mat of silver gray foliage, flowers in small clusters resemble cat toes, good between flagstones or in rock gardens, well- drained soils.
Quaint and Queer	Deep green foliage, yellow, brown,	Spring - Summer	8"12" x 6"-8"	Attracts Butterflies. Blue-eyed Grass is a dwarf relative of the Iris, forming low tufts of grassy leaves with clusters of small starry flowers.
Quaking Aspen				Attracts Hummingbirds. These adapt well to containers, and in cold winter areas may be wintered indoors. Plants form a woody base and should be pruned back to
Queen Purple	Light green, purple flowers	Summer	20"-29" x 12"-18"	Terrific for smaller gardens where the taller types might grow too big. Excellent in containers. Control leaf rust with a fungicide spray every two weeks. Deer
Radiant Red	Deep green foliage, red, yellow flowers	Summer - Fall	10"-14" x 12"-16"	Attracts Hummingbirds. These adapt well to containers, and in cold winter areas may be wintered indoors. Plants form a woody base and should be pruned back to
Raspberry	Deep green foliage, creamy yellow, deep pink flowers	Spring - Summer	8"-12" x 8"-12"	Rabbit Resistant. A cute British selection of Blue-eyed Grass, valuable in the rock garden as well as for edging in the border. This forms a low clump of grassy green leaves, bearing small starry flowers of yellow streaked with deep raspberry pink.
Red Beauty	Crimson red	Summer - Fall	18-24"	Gray-green feathery foliage, aggressive spreading clump.
Red Beauty	Deep green foliage, deep pink flowers	Summer - Fall	6	Despite the name, flowers are not really a true red at all. Excellent for cutting. Spreads to form a big patch, something to keep in mind when placing this in the garden. Edge around the patch in spring to control, removing any surplus plants.
Red Bells	Deep green foliage, red flowers	Spring	6"-12" x 8"-12"	Deer Resistant. A wonderful rock garden plant, with a long season of interest. Also useful for border edging or wildflower meadows, and plants will often naturalize in
Red Blotch	Deep green foliage, black, red, yellow	Spring - Fall	4"-6" x 6"-8"	They have a compact and uniform habit and display excellent heat tolerance as well as numerous blooms on each plant. Flowers are edible.
Red Cauli	Blue, grey green foliage, deep pink, red flowers	Summer - Fall	8"-12" x 12"-23"	Attracts Hummingbirds. Rabbit Resistant. Clusters of deep cherry-red flowers appear towards late summer, lasting into the autumn before changing into brown seed heads for winter. This is one of the darkest forms yet to be developed, the closest to a true red.
Red Cloud	Deep green foliage, purple, red flowers	Summer - Fall	16"-18" x 18"-23"	Rabbit Resistant. Attracts Butterflies. Plants should be trimmed back hard after the first flush of flowers is over, to rejuvenate the foliage and encourage repeat bloom in late summer. Happiest in a sunny, moist site.
Red Dragon	Bronze, deep green, silver, variegated foliage, white flowers	Summer - Fall	23"-35" x 23"-135"	Attracts Butterflies. Deer Resistant. An excellent foliage plant in the border, and especially good in tubs or mixed containers. The gorgeous bronze to plum shades of the leaves blends well with nearly anything.
Red Feathers	Russet red	Summer	12-16"	Base rosette of foliage with spikes of feathery flowers.
Red Feathers	Deep green foliage, red flowers	Summer - Fall	10"-14" x 12"-18"	Attracts Butterflies. Attracts Hummingbirds. A short-lived perennial so leave some flower spikes intact at the end of the season for re-seeding purposes. A native to the Caucasus Mountains in northern Iran.
Red Fox	Deep green foliage, deep pink flowers	Summer	12"-16" x 12"-14"	Attracts Hummingbirds. Attracts Butterflies. Spike Speedwell is the most popular of the various Veronicas available. This compact selection forms a bushy clump of dark-green leaves, bearing spikes of deep-pink flowers through the summer months.
Red Giant	Deep green foliage, red flowers	Spring	4"-6" x 6"-8"	Red Giant" has very large flowers in a rich shade of velvety red. These should be divided every couple of years, in early fall. Deer Resistant. Rabbit Resistant.
Red Grape	Grey green foliage, red flowers	Summer - Fall	16"-18" x 18"-23"	Attracts Butterflies. This American hybrid selection has narrow grassy foliage, forming a compact mound studded with a summer-long display of small triangular dusky wine-red flowers, over grey-green leaves.
Red Head	Deep green foliage, deep pink flowers	Summer - Fall	35"-47" x 23"-29"	Fountain Grass is one of the most popular grasses. This selection forms a large mound of arching green leaves. Deer Resistant. Drought Tolerant.

Red Lightning	Gold, red foliage, white flowers	Spring - Summer	10"-12" x 14"-16"	Attracts Butterflies. This selection features huge, bright gold leaves with attractive red veining. White flower sprays appear in late spring to early summer. Protect from hot afternoon sun to prevent leaf scorch.
Red Magic	Deep green foliage, red flowers	Spring - Summer	27"-29" x 31"-35"	Rabbit Resistant. Plants form an upright bush of dark green leaves, remaining attractive all season. This double-flowered selection has very full flowers of rich
Red Mountain	Light green foliage, red flowers	Spring - Fall	2"-4" x 12"-18"	The Hardy Ice Plants are native to South Africa but are amazingly hardy in North America, provided they are grown in very well-drained soil. This selection forms a low carpet or mat of succulent, evergreen leaves, bearing loads of small stary burnished-red flowers from late spring through fall.
Red Nails	Grey green, red foliage	Spring - Winter	2"-4" x 2"-8"	Drought Tolerant. Rabbit Resistant. t plants to grow, Hen-and-chicks tolerate heat, drought and neglect with style. Useful in rock gardens, container gardens of all types, rooftop gardens and rock walls. Hundreds of varieties exist.
Red Nancy	Light green, silver, variegated foliage, purple flowers	Spring - Fall	6"-8" x 12"-23"	Deer Resistant. Rabbit Resistant. This classy-looking selection forms a spreading patch of small silver leaves with a narrow green edge. Clusters of purplish-pink flowers appear in spring, then continue off and on until fall.
Red Picotee	Deep green foliage, red, white flowers	Spring - Summer	6"-8" x 8"-12"	This dwarf hybrid strain produces showy, large clusters of fragrant flowers with cherry-red petals delicately edged in white, over compact bright green foliage. Attracts Hummingbirds. Attracts Butterflies. Drought Tolerant.
Red Riding Hood	Light green, red flowers	Summer	35"-47" x 12"-18"	Short-lived, but will re-seed for many years. Rust is often a problem, particularly in humid summer regions. Attractive to both butterflies and hummingbirds.
Red Riding Hood	Deep green foliage, red flowers	Summer - Fall	23"-29" x 18"-23"	Attracts Butterflies. Attracts Hummingbirds. Rabbit Resistant. Drought Tolerant. Flowers are bright red trumpets, attractive in the border, containers and useful for
Red Rocks	Deep green foliage, deep pink flowers	Summer	12"-16" x 10"-12"	Blooming can continue on and off for most of the summer. An excellent low-maintenance perennial, adapting to a wide range of garden conditions. Attractive to both
Red Rubin	Deep green, red, variegated foliage,	Summer	6"-8" x 6"-12"	Deer Resistant. Drought Tolerant.
Red Rum	Deep green foliage, deep pink flowers	Summer - Fall	39"-47" x 35"-47"	Rabbit Resistant. Deep pink to near-red Hollyhock-like flowers appear all summer long and into the fall. This woody shrub is usually cut back hard each spring to a
Red Satin'	Deep green foliage, red flowers	Summer	14"-18" x 18"-21"	Attracts Butterflies. Rabbit Resistant. This selection is the first member of a new series and bears loads of deep wine to ruby red flowers with an orange centre over dark green foliage. Flower colour doesn't fade in the summer heat.
Red Sentinel	Deep green foliage, red flowers	Summer	21"-23" x 18"-23"	Attracts Butterflies. Deer Resistant. Rabbit Resistant. May tolerate full sun in cool summer regions.
Red Umbrellas	Deep green, red foliage, light pink	Summer	25"-29" x 25"-29"	Shorter than typical Meadowsweet so suitable for smaller gardens. Best with protection from hot afternoon sun. Easily divided in spring.
Red Valerian	Reddish pink	Summer - Fall	24"	Sprawling plant with blue-green leaves. Reseeds. Deadhead to promote continual blooming.
Red Velvet	Bronze, deep green, variegated foliage,	Rabbit Resistant	4"-6" x 6"-8"	Rabbit Resistant. 'Red Velvet' has deep scarlet-red flowers, with leaves edged in bronzy-red. These should be divided every couple of years, in early fall.
Red Wiggle	Deep green, red foliage, no flowers	Spring - Winter	3"-4" x 10"-12"	Drought Tolerant. Reliable and fuss free. Excellent for the garden and containers. Prefers a sunny sight with well-drained soil.
Red Zinger	Light green foliage, red flowers	Spring - Summer	23"-25" x 12"-18"	CAUTION: Harmful if eaten. Rabbit Resistant. Choose a sunny position, with a well-drained, loamy soil. Bearded Iris are heavy feeders, so plan to fertilize in early spring, and again in late summer.
Red-Rose Bicolor	Deep green foliage, purple flowers	Spring - Summer	6"-8" x 8"-12"	Attracts Hummingbirds. Rabbit Resistant. Drought Tolerant. Developed to flower well even in the first year, then hopefully return for a second. Self-sown seedlings
Redstone Falls	Bronze, gold, red foliage, white flowers	Summer	10"-12" x 29"-35"	A hybrid between Coral Bells and Foam Flower, combining the best traits of both into one plant. Deer Resistant. Sprays of creamy-white flowers appear in late spring
Regal Torch Lily	Golden, crimson and ivory tri-color	Summer - Fall	40"	Vertical flower spikes arise from clumps of grasslike foliage, blooms from bottom of spike upward.
Rhapsody in Blue	Grey green foliage, purple flowers	Summer	18"-23" x 12"-18"	Excellent for cutting. Drought tolerant once established. Can be clipped back hard after blooming, to rejuvenate the foliage. Attractive to both butterflies and
Robinson's Red	Deep green foliage, red flowers	Summer	18"-29" x 12"-18"	Attracts Butterflies. Painted Daisies are old-fashioned perennials that have always been popular as cut flowers. Foliage is bright green and ferny, with upright stems bearing loads of single yellow-eyed bright red daisies.
Rocketman	Grey green foliage, deep blue, mauve/lilac flowers	Summer - Fall	29"-35" x 29"-41"	Attracts Hummingbirds. This selection is vase-shaped with an excellent upright habit. An extremely versatile garden plant, Russian Sage loves hot, sunny sites and will fit right into the perennial border, also good to use among shrubs, and even in containers or tubs.
Rockin' Red	Deep green foliage, red flowers	Spring - Fall	18"-23" x 10"-12"	Attracts Butterflies. A hybrid strain of Dianthus which is a true multi-use plant, excellent for massed bedding, growing in the perennial border or in mixed containers
Rocky Mountain Juniper		Summer	15' x 8'	
Rocky Mountain Maple		Spring	20' x 12'	Attracts Butterflies. Deer Resistant. Drought Tolerant. Attracts Hummingbirds. Clip plants lightly immediately after blooming. Excellent for rock gardens or cascading over walls, as well as for edging or in mixed containers.
Rocky Mountain Penstemon	Blue, purple	Summer	12-30" 30" x 24"	Robust grower, narrow glossy green leaves, tubular flowers in open spikes, develops powdery mildew if crowded, well-drained soils.
Rome in Red	Deep green foliage, red flowers	Spring	18"-23" x 18"-23"	CAUTION: Harmful if eaten/Skin irritant. This selection is part of the HONEYMOON Series from Walters Gardens, Inc. hybridizer Hans Hansen selected for vigour, showy floral displays with a large number of blossoms per plant and rich flower colours.
Ronica Blue	Deep green foliage, deep blue flowers	Spring - Fall	12"-18" x 12"-18"	Attracts Hummingbirds. Attracts Butterflies. This selection is compact yet vigorous and features masses of long, bright blue, flower spikes over a mound of healthy,
Rootbeer Plant	Silvery, grey-green foliage, salmon-orange flowers	Summer - Fall	23"-35" x 23"-35"	Attracts Butterflies. Deer Resistant. Rabbit Resistant. Attracts Hummingbirds. This thrives in hot, sunny sites, and is also excellent in containers.
Rooten Tooten Red	Deep green foliage, red flowers	Summer	21"-23" x 18"-23"	Rabbit Resistant. This selection features large (5 inch) ruffled fire-engine red flowers with a greenish throat. Midseason. Tetraploid. Winter dormant. Plants do not usually require dividing for several years, but are easily split apart in fall or early spring.
Rooten Tooten Red	Deep green foliage, red flowers	Summer	21"-23" x 18"-23"	Cut back dead foliage in late fall or winter. Flowers are edible. Be sure to see our whole exciting lineup of Trophytaker Daylilies. Drought Tolerant.
Rose Campion	Purple-red	Summer	18-36"	Silvery gray rosette of foliage, reseeds.
Rose Queen	Rose pink	Summer - Fall	18-24"	Erect flower stalks with gray-green foliage, repeat bloom if cut back after first bloom finishes.
Rose Queen	Deep green foliage, deep pink flowers	Spring	8"-10" x 12"-18"	Rabbit Resistant. Barrenwort are superb shade-garden plants, excellent for edging or groundcover, and deserving much wider use in our gardens. This selection forms a bushy mound of dark green leaves, bearing sprays of delicate bright-pink flowers in mid to late spring.
Rosea	Grey green foliage, light pink flowers	Summer	4"-6" x 12"-18"	Attracts Butterflies. Deer Resistant. Drought Tolerant. Attracts Hummingbirds. Clip plants lightly immediately after blooming. Excellent for rock gardens or cascading over walls, as well as for edging or in mixed containers.
Rosetta Red	Deep green foliage, red flowers	Spring	4"-6" x 6"-8"	Rabbit Resistant. They are easy to grow, and put on a tremendous show in the spring garden, their double rose-like flowers attracting comments from all who see
Rosyjane	Deep green foliage, deep pink, white	Summer - Fall	20"-23" x 16"-23"	It forms a bushy mound of attractive green leaves that often take on a rosy tint in cooler weather. Wands of small silky blooms appear for months on end. Drought
Rotsilber	Deep green foliage, red flowers	Summer - Fall	47"-59" x 31"-35"	Rabbit Resistant. Deer Resistant. The foliage becomes orange-red in fall before turning a light tan shade for the winter. Useful as a specimen, in the border, or for
Royal Red	Grey green foliage, purple flowers	Summer - Fall	47"-59" x 35"-47"	Drought and heat tolerant. Attracts Butterflies. Deer Resistant. Attracts Hummingbirds. This selection has long wands of magenta-red flowers, on a tall clump.
Rubber Rabbitbrush	Yellow	Fall	4' x 3'	
Rubrifolia	Purple black, red foliage, green flowers	Spring - Summer	6"-12" x 10"-12"	Deer Resistant. Drought Tolerant. It forms a clump of leathery bronzy-purple leaves, which develop particularly good red colour in the autumn. Insignificant spikes of green flowers should be cut off to prevent self seeding.
Ruby Ribbons	Bronze, deep green, red foliage, green flowers	Summer - Fall	35"-47" x 23"-35"	Deer Resistant. Drought Tolerant. Airy heads of tiny reddish-brown flowers appear in late summer. Attractive well into the winter. Flowers are good for cutting, fresh or dried. Trim back to the ground in early spring.
Ruby Wedding	Deep green foliage, red flowers	Summer - Fall	23"-27" x 18"-23"	Deer Resistant. Masterwort is highly regarded by floral designers for the unique umbels of stary flowers, a bit like a refined Queen-Anne's-Lace in effect, but not at

Rudbeckia triloba	Deep green foliage, black, gold flowers	Summer - Fall	23"-39" x 23"-29"	Attracts Butterflies. Rabbit Resistant. A self-seeding biennial, ideal for naturalizing. Seedlings that appear may be easily moved in fall or early spring. Removing faded flowers will encourage plants to bloom for longer. Attractive to butterflies. Terrific for cutting.
Rudbeckia triloba	Deep green foliage, black, gold flowers	Summer - Fall	29"-39" x 23"-29"	Attracts Butterflies. Deer Resistant. Rabbit Resistant. A self-seeding biennial, ideal for naturalizing. Seedlings that appear may be easily moved in fall or early
Ruschia Pulvinar	like flowers,	Spring - Summer	3" x 12"	Drought and heat tolerant, does well in lean, well-drained soil, but it may take dry clay as well. Denver-Boulder area.
Salvia argentea	Silver foliage, creamy yellow flowers	Summer	12"-18" x 18"-27"	An unusual foliage plant, valued for its intensely silver, fuzzy leaves that are arranged in a wide rosette. Spikes of yellowish flowers will appear in the second year, but these are usually removed. Drought Tolerant. Rabbit Resistant
Salvia, May Night	Deep indigo	Spring - Summer		Extremely cold and drought tolerant, and is well situated to handle the high clay content of our Colorado soil.
Samurai	Blue, red, deep green, variegated	Summer - Fall	47"-59" x 31"-35"	Attracts Butterflies. Drought Tolerant. It forms an upright, slightly vase-shaped mound of blue-green leaves, the tips developing red tones by midsummer that get
Saponaria ocmoides	Deep green foliage, deep pink flowers	Spring - Summer	6"-8" x 12"-23"	Rock Soapwort is a vigorous, low creeping plant, useful for spilling down sunny slopes or over rock walls. Plants form a low mound of bright-green leaves, literally smothered by stary bright-pink flowers in late spring. Drought Tolerant.
Saponaria ocmoides pink selection	Deep green foliage, deep pink flowers	Spring - Summer	6"-8" x 12"-23"	Deer Resistant. A nice choice for edging borders or paths, spilling over rock walls, in rock gardens or as a groundcover. Shear or trim back to 2 inches after flowering to tiny plants up. Easily divided in early autumn if desired. Drought tolerant once established.
Sapphire	Deep green foliage, deep blue flowers	Spring - Summer	4"-8" x 6"-8"	Attracts Butterflies. Deer Resistant. This forms a low clump of grassy green leaves, bearing good-sized bright lavender-blue flowers with a yellow eye. Blooming
Scabiosa caucasica	Deep green foliage, deep blue, light blue, mauve/lilac, white flowers	Summer - Fall	18"-29" x 12"-18"	Attracts Hummingbirds. Attracts Butterflies. Deer Resistant. Plants form a low mound of green leaves, with upright stems of large lacy blossoms in shades of blue, lavender, lilac and white.
Scarlet Bugler Penstemon	Scarlet to red		24-36"	Slender tall stalks with foliage clustered at base, tubular flowers favored by hummingbirds, well-drained soils.
Scarlet Gilia, Fairy Trumpets	Red, pink and white		12-30"	Rosette of finely divided leaves, trumpet-shaped flowers, attracts hummingbirds, biennial, reseeds readily, well-drained soils.
Scarlet Globemallow	Red-orange	Summer	10" x 10" 8-12"	Hairy gray-green leaves, vigorous rhizomes, small hollyhock-like flower, well-drained coarse soils.
Scarlet Halo	Light green foliage, yellow, red flowers	Summer - Fall	14"-20" x 12"-18"	The Sunburst series are mid-sized in habit, ideal for containers or near the front of a sunny border. Drought Tolerant. Deer Resistant. Rabbit Resistant. Attracts
Scott's Sugarbowl	Purple		8-15"	Mounds of lacy foliage with nodding purple flowers, attracts bumblebees.
Scutellaria Supina				Deer Resistant. A nice choice for edging borders or paths, spilling over rock walls, in rock gardens or as a groundcover. Shear or trim back to 2 inches after flowering to tiny plants up. Easily divided in early autumn if desired. Drought tolerant once established.
Sea Holly	Blue	Summer - Fall	12-24"	Silver-blue flower heads dry well.
Sea Lavender	Lavender purple	Summer - Fall	18-24"	Spoon-shaped, leathery clump of leaves, cloud of airy flowers.
Sedum "Tapestry Carpet"	mix	Summer - Fall		Low growing plants prefer a well-drained location, and can perform well in part-sun, or cool sunny location, perfect plant for Colorado.
Sedum nevii Silver Frost	Silver foliage, white flowers	Summer	4"-6" x 12"-18"	Rabbit Resistant. Drought Tolerant. Attracts Butterflies. Deer Resistant. Excellent for hot, sunny locations. Perfect for the rock garden. Stonecrop species is native to
Selfheal				Deer Resistant. This Japanese selection forms a low clump of wide, grassy-looking green leaves, brightly edged in golden yellow. The appearance is almost like a dwarf Hosta. Versatile in the garden, also excellent in mixed containers.
Sensation Deep Blue	Deep green foliage, deep blue flowers	Summer	10"-12" x 12"-16"	Attracts Butterflies. Deer Resistant. Rabbit Resistant. Remove faded blooms to encourage repeat flowering. Excellent for cutting. Drought tolerant once
Sensation Sky Blue	Grey green foliage, light blue flowers	Summer	10"-12" x 12"-16"	Deer Resistant. The Perennial Sages are invaluable for their rich display of spiky flowers in the early summer border. This German selection is compact, with chubby
Sequestered Sunshine	Deep green foliage, yellow flowers	Spring - Summer	25"-29" x 29"-35"	Rabbit Resistant. Itoh Peonies are rare and unusual hybrids between Garden Peonies and Tree Peonies. There are several varieties, all highly sought after by collectors, yet easy to grow and very hardy.
Serviceberry	White	Spring	12' x 6'	
Shell leaf Penstemon	White, pink, and purple		24-36"	Waxy blue-green semi-evergreen foliage, large tubular flowers, can be short lived but reseeds readily, well-drained soils.
Shenandoah	Deep green, purple black foliage, red, flowers	Fall	35"-47" x 35"-47"	Switch Grass was an important component of the Tall-grass Prairie that once covered much of the Great Plains. This selection forms an upright clump of green leaves with distinctive red tips appearing by midsummer.
Shima-nishiki	Deep green, variegated, white foliage, green flowers	Spring - Summer	6"-8" x 12"-23"	Deer Resistant. This Japanese selection forms a low clump of wide, grassy-looking green leaves, brightly edged in golden yellow. The appearance is almost like a dwarf Hosta. Versatile in the garden, also excellent in mixed containers.
Showy Goldeneye	Yellow		18-30"	Heavily branched with narrow leaves, prolific sunflower-like flowers, available only from seed, reseeds aggressively, well-drained soils.
Showy Milkweed	Pink	Summer	30" x 12"	
Side-bells Penstemon	Lavender, pink	Spring - Summer	20" x 12"	Deer Resistant. This Japanese selection forms a low clump of wide, grassy-looking green leaves, brightly edged in golden yellow. The appearance is almost like a dwarf Hosta. Versatile in the garden, also excellent in mixed containers.
Side-Oats Grama	Green	Summer	24" x 12"	Terrific for edging, groundcover, or in mixed containers, even hanging baskets. Attracts Butterflies. Drought Tolerant. Deer Resistant. Clip back hard when stems begin to grow upright, in order to maintain a low mat-like effect.
Sidebells Penstemon				
Silver Blade	Yellow	Summer - Fall	4"	Silver leaves compliment clear yellow flowers. Grow in well-drained soils.
Silver Brocade	Silver foliage, white flowers	Summer	6"-12" x 23"-29"	Terrific for edging, groundcover, or in mixed containers, even hanging baskets. Attracts Butterflies. Drought Tolerant. Deer Resistant. Clip back hard when stems begin to grow upright, in order to maintain a low mat-like effect.
Silver Carpet	Grey green foliage, no flowers	Spring - Winter	4"-6" x 12"-23"	Clumps are easily divided in spring or early fall. Evergreen in mild winter regions. Drought tolerant once established.
Silver Frost	Silver foliage, green flowers	Summer	18"-23" x 12"-18"	Makes a handsome edging or rock garden plant, ideal for hot sunny sites. Nice in containers. Drought Tolerant. Deer Resistant. Rabbit Resistant.
Silver lupine	White to deep purple		12-36"	Palm-shaped leaf, spikes of pea-like flowers, attracts butterflies, well-drained soils.
Silver sage	White	Summer	24-36"	Silky hairs on large leaves makes this a superior foliage plant.
Silverton Bluemat	Lavender-blue	Summer	8-12"	Spreading silvery mounds of evergreen leaves.
Silvery Blue	Silver foliage, deep blue, mauve/lilac	Summer - Fall	18"-20" x 23"-29"	This compact selection forms a bushy upright clump of fragrant, metallic, silver leaves bearing copious spikes of lavender-blue flowers from mid-summer
Silvery Horehound	White hairs on the round leaf margins		2-4" x 2-3"	Native of Turkey, garden succulent from Europe, grow just about anywhere, rock gardens in full sun.
Silvery Leadplant	Purple	Summer	4' x 3'	
Simply Red	Deep green foliage, red flowers	Spring - Summer	25"-29" x 29"-35"	Deer Resistant. An outstanding performer. Peonies seldom need to be divided or moved, but if necessary it should be carried out only in the fall. Flowering is always
Siskiyou Pink	Pink	Summer - Fall	15-18"	Deep pink flowers with white stamens.
Siskiyou Pink	Deep green foliage, deep pink flowers	Summer - Fall	23"-27" x 23"-35"	Drought Tolerant. Deer Resistant. Although Gaura may not always winter reliably, plants flower for the entire summer and fall, so consider using it even as an annual in colder winter regions. Excellent in containers, and for cutting. Plants must have excellent drainage to survive the winter.
Six Hills Giant	Lavender	Summer - Fall	24-36"	Fragrant gray-green leaves on square stems, spreading habit, trim back after bloom.
Skunkbush Sumac	Yellow	Spring	4' x 3'	
Smooth Penstemon	Deep blue/purple		12-18"	Stout upright stems, tubular flowers, well-drained soils.
Smooth Sumac	Green, yellow	Summer	6' x 4'	
Snow Cushion	Deep green foliage, white flowers	Spring - Summer	5"-6" x 12"-23"	Drought tolerant, once established. Prefers a well-drained site, so avoid heavy clay soils that stay wet in winter. Not easily divided. Deer Resistant.
Snow in Summer	White	Summer	6-12"	Silvery gray foliage. Needs well drained soil.

Snowberry	Pink	Summer	4' x 4'	
Snowcap	White	Spring	6-8"	Cut back after bloom to maintain compact plant.
Snowflake	Deep green foliage, white flowers	Spring - Summer	8"-10" x 12"-35"	This selection offers loads of good-sized white flowers for several weeks, on a plant of medium size. Prune lightly right after blooming, but otherwise leave plants
Snowsation	Deep green foliage, white flowers	Spring - Summer	6"-10" x 10"-12"	Deer Resistant. Drought Tolerant.
Snowsufte Forte	Deep green foliage, white flowers	Spring - Summer	6"-12" x 12"-18"	Evergreen Candytuft is a spring blooming favourite, often seen cascading over rocks and walls, or used as a groundcover. The dark green, evergreen foliage forms
Sonoran Sunset®	Lavender rose	Summer - Fall	12-18"	More compact than species, longer blooming.
Sooty	Bronze, purple black foliage, black red flowers	Spring - Summer	12"-18" x 8"-12"	Attracts Hummingbirds. Deer Resistant.This mid-sized strain produces a mound of bronze-purple leaves, bearing showy clusters of unique chocolate-red to black flowers for several weeks. Excellent as a cut flower.
Spanish Gold Broom	Bright green stems, yellow pea-like	Winter		Native to the Mediterranean, Small leaves that drop by mid-summer
Spiderwort	Purple/blue		12-24"	Upright stalks above grass-like foliage, clusters of three petaled flowers each lasting a day, most soils.
SpinTop Orange Halo	Light green foliage, orange, gold	Summer - Fall	12"-14" x 12"-14"	Attracts Hummingbirds. Drought Tolerant. Rabbit Resistant. Plants should be divided every 2 to 3 years, in early spring. Not the best choice for heavy clay soil that CAUTION: Harmful if eaten. Rabbit Resistant. Plants should be divided every 3 to 4 years, in August. Be on the watch for Iris borer. Excellent for cutting. Dwarf bearded Iris are also often described as I. pumila.
Splash of Red	Light green foliage, red, yellow flowers	Spring	10"-12" x 8"-10"	Flowers also are attractive to hummingbirds. Terrific for edging, in the rock garden, or in tubs. Remove spent flower spikes to encourage more buds to form. Plants may be divided every 2 to 3 years in spring or early fall.
Splendens	Deep green foliage, red flowers	Spring - Summer	12"-18" x 10"-12"	Attracts Butterflies. Drought Tolerant. Rabbit Resistant.Features tall spikes of large, old-fashioned single flowers in purple-black with a yellow eye over a low mound of foliage.Cut plants back to 8 inches after blooming.
Spotlight Blacknight	Light green, black, purple, red flowers	Summer	59"-70" x 12"-18"	Attracts Hummingbirds. Rabbit Resistant. Deer Resistant.They were usually relegated to the back of a sunny border, with something in front to hide their bare lower stems.Cut plants back to 8 inches after blooming.
Spotlight Mars Magic	Light green, red flowers	Summer	59"-70" x 12"-18"	Attracts Hummingbirds. Rabbit Resistant. Deer Resistant.They were usually relegated to the back of a sunny border, with something in front to hide their bare lower stems.Cut plants back to 8 inches after blooming.
Spotlight Polarstar	Light green, white flowers	Summer	59"-70" x 12"-18"	Features tall spikes of large old-fashioned single flowers in white with a yellow eye over a low mound of foliage. Flowers appear the first season. Drought Tolerant.
Spotlight Radiant Rose	Light green, deep pink flowers	Summer	59"-70" x 12"-18"	The Spotlight series was recently bred by Jelitto Seeds of Germany. Attractive to both butterflies and hummingbirds. Drought Tolerant. Rabbit Resistant.
Spotlight Sunshine	Light green foliage, yellow flowers	Summer	59"-70" x 12"-18"	Usually relegated to the back of a sunny border, with something in front to hide their bare lower stems. Cut plants back to 8 inches after blooming.
Spreading Daisy	White	Spring - Summer	2" x 16"	
Spreading Junipers	Green color, "Youngstown" and "Blue Chip" offer a variety of green to blue-			Creeping or spreading junipers require little maintenance, plants work well when mixed with a variety of flowering and deciduous plants and grasses.
Spreading vervain	Rose/purple		6-10"	Sprawling stems with deeply cut leaves, prolific bloomer, attracts butterflies, well-drained soils.
Spring Carpet	Grey green foliage, white flowers	Spring - Summer	4"-6" x 12"-16"	Best in a rock wall or gravel garden, also nice in containers. Not a long-lived plant, but will re-seed where happy. Drought Tolerant.
Spring Celebrities Crimson	Light green foliage, red flowers	Summer	23"-29" x 12"-18"	Rust can be a problem, especially in humid summer regions. Excellent for the border. Attractive to both butterflies and hummingbirds. Thrives in cool and sunny
Spring Celebrities Lilac	Deep green foliage, mauve/lilac	Summer	23"-29" x 12"-18"	Features bushy, dwarf plants that produce sturdy stems with an abundance of large double blooms. Short-lived. Rabbit Resistant. Attracts Hummingbirds. Attracts
Spring Celebrities Purple	Deep green foliage, purpler flowers	Summer	23"-29" x 12"-18"	Excellent for the border, especially when mass planted and in containers. Thrives in cool and sunny conditions. Attractive to both butterflies and
Spring Celebrities White	Deep green foliage, white flowers	Summer	23"-29" x 12"-18"	Attracts Butterflies. Attracts Hummingbirds. Rabbit Resistant. Short-lived perennials, but will re-seed themselves for many years.Rust can be a problem, mainly in humid regions.Thrives in cool/sunny conditions.
Spruzzo	Deep green foliage, white flowers	Spring - Summer	8"-10" x 12"-35"	Evergreen Candytuft is a spring-blooming favourite, often seen cascading over rocks and walls, or used as a groundcover. The glossy, evergreen foliage forms a perfect mound. This selection features a new flower form and compact habit.
Stachys byzantina	Silver foliage, deep pink flowers	Summer	12"-18" x 12"-23"	Attracts Butterflies. Deer Resistant.Plants form a dense clump of soft, felty silver grey leaves. Upright spikes of magenta-pink flowers form in early summer, but these should be clipped off to maintain a tight, compact habit.
Standing Ovation	Blue, deep green foliage, no flowers	Summer - Fall	35"-47" x 18"-23"	Deer Resistant. Drought Tolerant. This forms sturdy, tight, upright stems in blue-green, purple closer to the base.
Star Flower, Blazing-Star	White	Summer	28" x 18"	
Sterntaler	Light green, red foliage, yellow flowers	Summer - Fall	16"-18" x 12"-16"	Known as Tickseed, popular plants for a long-blooming display. A medium-sized excellent for borders or in containers. Rabbit Resistant. Deer Resistant.
Sticky Geranium	Pale Pink to rose purple with darker		12-24"	Lobed leaves turn red in fall, open clusters of flowers with sticky stems, well-drained soils.
Sulphur flower	Yellow	Summer	6-12", 10" x 12"	Mat of leathery green foliage with silver undersides, turns reddish in fall, flowers attract butterflies, well-drained soils.
Summer Carnival	Light green foliage, creamy yellow, purple, red, salmon, white flowers	Summer	59"-82" x 12"-18"	Tall spikes of satiny, crepe-textured flowers making a fine display. Short-lived, but will re-seed for many years. Drought Tolerant. Deer Resistant. Rabbit Resistant.
Summer Pastels	Pastel mix	Summer - Fall	18-24"	Feathery foliage, forms clumps.
Summer Snow	Deep green foliage, white flowers	Summer - Fall	29"-35" x 23"-35"	Attracts Butterflies. North American wildflowers. Plants form an upright, bushy clump of deep green leaves, bearing showy spikes of white flowers from midsummer through the fall. Excellent for cutting.
Summit	Grey green foliage, yellow flowers	Spring	6"-8" x 12"-18"	Clip plants back by half, immediately after blooming but do not prune in fall or early spring. Excellent disease resistance. Deer Resistant. Attracts Butterflies. Drought
Sundancer Daisy				Attracts Butterflies. North American wildflowers. Plants form an upright, bushy clump of deep green leaves, bearing showy spikes of white flowers from midsummer through the fall. Excellent for cutting.
Sundrops	Lemon yellow, Orange		4-8"	Spreading habit, green narrow leaves, four-petaled flowers solitary on stems, long blooming, likes heat, well-drained soils.
Sunflor Red Bull	Grey green foliage, red flowers	Summer - Fall	6"-8" x 6"-8"	Prefers well-drained soil in sun or part shade. Good drainage is essential for winter hardiness.Attracts Butterflies.
Sunflor Red Esta	Grey green foliage, red, white flowers	Spring - Fall	6"-8" x 6"-8"	Attracts Butterflies. This selection features masses of bi-colored, raspberry-red and white flowers on short sturdy stems held above attractive, compact, grey-green foliage. Added bonus of a wonderful spicy-clove fragrance.
Sunny Border Apricot	Grey green foliage, creamy yellow	Spring - Summer	8"-12" x 12"-23"	Drought Tolerant. Deer Resistant. Most popular of spring-flowering, this is a common sight in rock gardens. Clip plants back by half, immediately after blooming. Full
Sunny Butterflies	Deep green, variegated, white foliage,	Summer - Fall	20"-23" x 18"-23"	Australian selection. Excellent in containers, and for cutting. Plants must have excellent drainage to survive the winter. Heat and drought tolerant. Deer Resistant.
Sunray	Golden yellow	Summer - Fall	24"	Double flowers. Spoon-like vibrant green leaves. Compact plant.
Sunrita Tangerine	Light green foliage, creamy yellow	Summer - Fall	14"-20" x 12"-18"	Deer Resistant. Drought Tolerant. Blanket Flowers are one of the longest-blooming, well suited to hot sunny sites. This series was bred and introduced by S&G.
Sunrose	Red, orange, yellow, pink and white	Summer	8-12"	Low-growing, thick mass of low branches that carry small, oval shaped leaves, hot and sunny border area. Numerous cultivars with various flower colors and silvery

Superba	Deep green foliage, purple flowers	Summer	23"-29" x 23"-27"	Terrific for cutting. Plants will quickly form a large clump, so allow plenty of space when planting, or plan to reduce the size each spring. Easily divided in spring or
SuperTrouper Red White	Grey green foliage, red, white flowers	Summer - Fall	10"-14" x 10"-12"	Attracts Hummingbirds. Deer Resistant. Excellent for cutting. Good drainage is essential for winter hardiness. Plants perform best in areas with cool summers.
Surrender 'Red'	Grey green foliage, purple, red flowers	Summer - Fall	6"-10" x 4"-8"	Attracts Butterflies. Rabbit Resistant.
Swan Violet & White	Violet-blue and white	Summer	18-24"	Hybrid developed from native A. caerulea to honor the memory of those shot at Columbine High School.
Sweet Woodruff	Bright green leaves, white flowers	Spring		Dry shady spot under a tree, dry shade garden.
Table Mountain	Fuchsia	Summer - Fall	2-4"	Mound of succulent leaves turn purplish in winter.
Tahoe	Deep green foliage, white flowers	Spring	8"-10" x 12"-23"	Prefers a well-drained site, so avoid heavy clay soils that stay wet in winter. Deer Resistant. Drought Tolerant.

Tasso Red	Deep green foliage, red flowers	Spring - Summer	4"-6" x 6"-8"	Deer Resistant. English Daisies have long been popular for spring bedding, particularly in mild winter regions. Plants are biennial, usually lasting through one season, but self-seeding to provide future generations.
Terra Cotta	Peach pink	Summer - Fall	30-36"	Silvery feathery foliage, spreading nature.
The Pearl'	White	Summer - Fall	12-18"	Small sprays of double, buttonlike flowers, open habit, good cut flower.
Thumb's Variety	Chartreuse, yellow foliage, white	Summer	6"-12" x 18"-23"	Drought Tolerant. Deer Resistant. Attracts Butterflies. Since this is a form of Common Oregano, the leaves are fragrant and may be used in cooking.
Thunder and Lightning	Light green, variegated, white foliage,	Summer - Fall	12"-18" x 16"-20"	Attracts Butterflies. Deer Resistant. Drought Tolerant. Though sometimes said to be short lived, if the plants have excellent drainage in winter they will live for many
Thymus praecox 'Coccineus'	Deep green foliage, red flowers	Summer	1"-2" x 12"-18"	This flat-growing Thyme features fragrant dark green leaves, smothered by bright magenta-red flowers in early summer. A strong grower, ideal as a drought-tolerant lawn substitute or for planting between flagstones, tolerating moderate traffic.
Torch Lilly	Blue-green to dark green, red, orange,	Summer - Fall	24-48"	Unique foliage and flowers, foliage is grass-like, and grows in thick clumps, flowers are produced in a tight bunch on tall spikes, and the flowers open from the
Treasure Island	Deep green, variegated, white foliage,	Spring	3"-4" x 12"-16"	Deer Resistant. An absolutely gorgeous edging plant for shady gardens. This low-growing plant forms a slow-spreading mound of wide, grassy-looking green leaves,
Trehane	Chartreuse, yellow foliage, deep blue	Spring - Summer	6"-8" x 8"-12"	Deer Resistant. Rabbit Resistant. Plants form a low, mounding clump of bright chartreuse-yellow leaves with loads of rich blue flowers in early summer. Trim plants
Tricolor	Deep green, variegated, white, purple black, red foliage, deep blue flowers	Summer	8"-12" x 12"-18"	This selection of the Common Sage serves double duty in the garden, as both a culinary herb and an ornamental perennial. The leaves are boldly splashed with green, pink, cream and purple, forming a low evergreen mound.
True Blue	Deep green foliage, deep blue flowers	Summer - Fall	16"-20" x 18"-23"	Rabbit Resistant. Attracts Butterflies. Spiderworts appreciate a moist, rich soil, and will even tolerate wet sites beside a stream or pond. Trim back in midsummer if plants get scruffy. Clumps may be easily divided in early spring.
Tuff Candy	Deep green foliage, white flowers	Spring - Summer	6"- 8" x 10"-12"	Evergreen Candytuft is a spring-blooming favourite, often seen cascading over rocks and walls or used for edging. The glossy, evergreen foliage forms a perfect
Tufted Evening Primrose				Thrives in the eastern U.S. needs full to partial shade and requires a little more water, there are so few evergreens that thrive in shade it is an invaluable plant.
Turkish Veronica	Cobalt-blue	Spring - Summer	1-2"	Flat, evergreen mats of glossy leaves.
Twilight Lilac	Grey green foliage, light pink,	Summer	4"-6" x 12"-18"	Deer Resistant. Rabbit Resistant. Tolerates heat and drought once established. Clip or mow after flowering to maintain an especially dense and compact habit.
Ultra Violet	Deep green foliage, purple flowers	Summer - Fall	18"-23" x 12"-18"	This forms a low mound of grey-green leaves, with taller stems bearing lacy blossoms of rich lavender purple. Remove faded flowers to prolong blooming. Flowers
Undaunted Ruby Muhly	Pinkish flowers, pink glow with back			Hails from Oklahoma and Texas, inflorescence (aka flower cluster).
Undulata Albomarginata	Deep green foliage, mauve/lilac flowers	Summer	16"-18" x 31"-39"	Hosta are among the most popular of perennials for shady areas, with hundreds of varieties now readily available. Plants form sturdy mounds of foliage, topped with
Uptick Cream & Red	Grey green foliage, red, creamy yellow,	Spring - Fall	12"-14" x 12"-14"	Drought Tolerant. This selection offers large, butter-yellow flowers with a dark purple-red eye. Easy to grow.
Ursula's Red	Red, silver, variegated foliage, no	Spring - Winter	12"-18" x 12"-18"	Rabbit Resistant. This selected form of Japanese Painted Fern has arching triangular leaves of silver, flushed with wine red down the middle during the spring
Uvularia grandiflora	Deep green foliage, yellow flowers	Spring - Summer	12"-18" x 12"-16"	Also known as Merry Bells. Native to the woodlands of Eastern North America, this is an easy-to-grow spring blooming perennial. It forms an upright clump of light-green pleated leaves, with delicate yellow nodding bell-shaped flowers made up of six petals that twist in a charming way.
Valerie Finnis	Silver foliage, creamy yellow flowers	Summer	18"-23" x 23"-29"	Attracts Butterflies. Deer Resistant. Drought Tolerant. Trimming back hard after blooming will rejuvenate the foliage. Nice for cutting, and using in dried
Valley High	Deep green, variegated, white, yellow foliage, deep pink flowers	Spring - Summer	10"-14" x 10"-12"	Attracts Butterflies. An interesting edging or rock garden perennial, this produces a low mound of olive-green leaves with streaky creamy-yellow to white margins. Clusters of small magenta-pink flowers are a pleasing accent in late spring.
Velvet Night	Purple black foliage, white flowers	Summer	35"-47" x 23"-29"	Attracts Butterflies. Deer Resistant. Will require staking, or plants can be allowed to sprawl through an adjacent shrub. Plants produce a good display of fragrant little white star-shaped flowers.
Venice	Deep green foliage, red flowers	Summer	20"-23" x 18"-23"	Cut fresh or dry for winter display. Midsized in habit, great for the mid border or in containers. Dead-head regularly to promote more buds and to discourage self
Ventricosa Aureomarginata	Deep green, variegated, white, yellow foliage, purple flowers	Summer	18"-21" x 35"-43"	Rabbit Resistant. Also good for planting in mixed containers or tubs. Hosta go completely dormant in the fall, and the dying foliage can be removed any time before mid spring. Easily divided in either spring or fall, but plants may be left alone for years. Highly regarded.
Vera Jameson	Purple black foliage, deep pink flowers	Summer - Fall	6"-8" x 12"-18"	Attracts Butterflies. Drought Tolerant. Rabbit Resistant. The alpine selections of Stonecrop are excellent edging or rock garden plants, particularly for hot, dry sites with poor soil. Also well-suited to growing in tubs or alpine trough gardens.
Verbascum bombyciferum	Silver foliage, yellow flowers	Summer	59"-70" x 18"-23"	Attracts Hummingbirds. Attracts Butterflies. Rabbit Resistant. Seedlings that appear may be easily moved while small, and in any case should be thinned to stand
Veronica allionii	Deep green foliage, deep blue flowers	Summer	4"-6" x 8"-12"	Deer Resistant. Rabbit Resistant. It forms a low cushion or carpet of olive-green leaves, bearing chubby spikes of deep violet-blue flowers during the summer, at a time when many other rock garden plants have already finished blooming.
Veronica liwanensis	Deep green foliage, deep blue flowers	Spring - Summer	1"-2" x 12"-18"	A tough drought-resistant evergreen groundcover, this forms a flat green mat studded with small bright blue flowers in late spring. Its dense habit makes this an ideal lawn substitute, tolerating occasional walking. Foliage turns bronzy in extreme heat and sun.
Veronica pectinata	Grey green foliage, deep blue flowers	Spring - Summer	2"-3" x 12"-18"	Excellent for xeriscaping. Occasionally blooms may be lavender or pink. Ideal for edging, massing as a groundcover in a small area, growing in rock gardens or over walls. Long-blooming. Thrives in well-drained soil and is drought-tolerant once established. Rabbit Resistant.
Veronica prostrata	Grey green foliage, light blue flowers	Spring - Summer	4"-6" x 12"-18"	Rabbit Resistant. Deer Resistant. Drought Tolerant. Short spikes of starry light-blue flowers completely smother the mounding grey-green foliage of this low creeper in late spring. A beautiful edging plant, great when massed or grown in the rock garden.
Veronica prostrata Goldwell	Deep green, gold, variegated foliage, light pink, mauve/lilac flowers	Summer	4"-6" x 12"-18"	Quite likely hardy to Zone 3 or colder. Attractive to butterflies. Tolerates heat and drought once established. Clip or mow after flowering to maintain an especially dense and compact habit.
Victoria Blue	Grey green foliage, deep blue flowers	Spring - Summer	6"-8" x 6"-12"	Rabbit Resistant. Deer Resistant. Seedlings may be easily moved in fall or very early spring. Seedlings should be thinned to stand about 6 inches apart, to reduce fungal disease problems, particularly in regions with hot, humid summers.
Victoria's Blush	Deep green foliage, light pink flowers	Spring - Summer	6"-10" x 6"-160"	The low, mounding plants are excellent for massing, edging, rock gardens and in mixed containers. This selection has small star-shaped pearly-pink flowers with delicate magenta veins and a deep-pink eye.
Viola 'Corsican Violet	Violet	Spring	6 to 8 inches	likes part sun, and is more drought tolerant than most other violas.
Viola cornuta apricot selection	Deep green foliage, orange flowers	Spring - Fall	4"-8" x 6"-8"	cold and summer heat.
Viola cornuta blue selection	Deep green foliage, light blue flowers	Spring - Fall	4"-8" x 6"-8"	Deer Resistant. Excellent for massing, edging, rock gardens and in mixed containers. This strain produces blossoms in a range of light blue shades, with a tiny yellow eye. All pansies are short-lived perennials, usually lasting a couple of seasons.
Viola cornuta Penny Orange	Deep green foliage, orange flowers	Spring - Fall	4"-6" x 6"-8"	Flowers are edible. Performs best in regions with cool summers and low humidity.
Viola cornuta Penny Violet	Deep green foliage, purple, yellow	Spring - Fall	4"-6" x 6"-8"	This lovely selection from the series features fragrant, deep violet flowers and a tiny yellow eye. Amazing if combined en masse with V. cornuta Penny Orange.
Viola cornuta Penny White	Deep green foliage, white, yellow	Spring - Fall	4"-6" x 6"-8"	Also known as Viola, or Horned Violet. The Penny Viola is a popular landscape series that overwinter well thanks to a vigorous root system.
Viola cornuta red selection	Deep green foliage, red flowers	Spring - Fall	4"-8" x 6"-8"	Deer Resistant. This strain produces blossoms in deep brick-red shade, with a tiny yellow eye. All pansies are short-lived perennials, usually lasting a couple of
Viola cornuta Sorbet Fire	Deep green foliage, red, yellow flowers	Spring - Fall	6"-8" x 6"-8"	Viola cornuta Sorbet® Fire
Viola cornuta Sorbet mixture	Deep green foliage, purple, mauve/lilac, light blue, yellow, white	Spring - Fall	4"-6" x 6"-8"	This hybrid series is more tolerant of summer heat and winter cold than the annual pansy types. Excellent for massing, edging, rock gardens, and in containers. Nice for combining with spring flowering bulbs.

				lasting a couple of seasons.
Viola cornuta white selection	Deep green foliage, white flowers	Spring - Fall	4"-8" x 6"-8"	
Viola cornuta yellow selection	Deep green foliage, yellow flowers	Spring - Fall	4"-8" x 6"-8"	Also known as Winter Pansies, these are hardier than regular bedding pansies, tolerating more winter cold and summer heat. Plants form a low, bushy mound of bright green leaves, with loads of fragrant miniature pansy flowers from early spring to late fall, all winter in milder regions.
Violet Wonder	Light green foliage, white, mauve/lilac	Spring - Summer	6"-8" x 20"-23"	Native to South Africa. Easily propagated by breaking off short pieces and simply sticking them into the ground; new roots will form within just a few weeks. Foliage
Vulcan Red	Purple black foliage, red flowers	Summer - Fall	23"-31" x 10"-14"	CAUTION: Harmful if eaten. Nice for cutting. Attractive to both butterflies and hummingbirds. Excellent for using as a specimen or massing in the
Walker's Low	Light green foliage, deep blue flowers	Summer - Fall	23"-35" x 29"-35"	Attracts Hummingbirds. Flowers are attractive to butterflies. Drought Tolerant. Rabbit Resistant
Walkers Low	Lavender	Summer - Fall	18-24"	Fragrant gray-green leaves on square stems, spreading habit, trim back after bloom. Plant Select®
Wand Bloom Penstemon	Pale blue to violet		12-30"	Erect slender stalks; linear upright leaves; tubular flowers; well-drained soils.
Wanda Velvet Red Shades	Deep green foliage, purple, red flowers	Spring	4"-6" x 8"-12"	Rabbit Resistant. The 'Wanda' types of English Primrose are vigorous and easy plants, smothered with flowers in early spring. This selection produces velvety
Waterperry Blue	Deep green foliage, light blue, white	Summer - Fall	1"-2" x 10"-12"	This very dwarf selection forms a mat of glossy green leaves, bearing small soft-blue flowers with a white eye, from late spring into the fall.
Wax Currant	Pink, cream	Spring	4' x 3'	
Western Sandcherry	White	Spring	4' x 4'	Low-maintenance tree, with no serious pests or diseases, high tolerance for heat and drought.
Western Wild Rose	Pink	Spring - Summer	3' x 4'	
Whipple's Penstemon	Wine purple or white		10-20"	Clustered stems, whorls of nodding tubular flowers, adaptable to moister soils.
Whirling Butterflies	White flowers	Summer	2-3' x 18-24"	Has a significant bloom time, sporting multiple flower stalks.
Whirling Butterflies	Deep green foliage, white flowers	Summer - Fall	23"-35" x 23"-35"	North American wild flower, in the breeze these move constantly, looking like a cloud of small butterflies. Excellent in containers, and for cutting. Plants must have excellent drainage to survive the winter.
Whiskers Deep Rose	Deep green foliage, deep pink flowers	Summer - Fall	14"-16" x 12"-14"	Attracts Butterflies. Drought Tolerant. Deer Resistant. Although Gaura may not always winter reliably, plants flower for the entire summer and fall, so consider using it even as an annual in colder winter regions. Excellent in containers, and for cutting. Plants must have excellent drainage to survive the winter.
White Anniversary	Deep green, variegated, white foliage,	Summer	6"-8" x 12"-18"	The foliage and flowers double as a culinary herb, adding a mild oregano flavor and spark of colour to salads or as an edible garnish. Attracts Butterflies. Drought
White Jump Up	Deep green foliage, white, purple	Spring - Fall	4"-6" x 6"-8"	They have a compact and uniform habit and display excellent heat tolerance as well as numerous blooms on each plant. This selection from the series is big on the
White Swan	White	Summer - Fall	24-36"	Erect prairie wildflower, daisy-like flowers, deep green leaves.
White-tufted Evening	White with Pink buds		6-12"	Dense rosette of dark gray/green leaves; fragrant flowers open in late afternoon, fade the next morning; well-drained soils.
White-tufted Evening-	white	Summer	6" x 12"	
Whiteout	Deep green foliage, white flowers	Spring - Summer	2"-3" x 3"-5"	Deer Resistant. Drought Tolerant. The glossy, evergreen foliage forms a compact mound. This selection offers loads of large white flowers for several weeks, on a plant of medium size. Prune lightly right after blooming, but otherwise leave plants alone in fall and early spring.
Windflower	White to Pink-red		12-24"	Deeply cut dark green leaves form a rounded clump; flowers borne on wiry stems; organic soils.
Wine Cups	Magenta	Spring - Summer	4"x10"	
Winifred Bevington	Deep green foliage, light pink flowers	Summer	8"-12" x 6"-8"	An easy form to grow, this produces rosettes of leathery evergreen leaves. Red stems bear sprays of delicate soft-pink to white flowers in late spring. Terrific in the shady rock garden or growing on rock walls.
Winky Double Red-White	Deep green foliage, red, white flowers	Spring - Summer	12"-14" x 12"-14"	Attracts Butterflies. Attracts Hummingbirds. Rabbit Resistant. The Winky series, reportedly a mildew tolerant series, produces loads of upfacing blooms held just above a bushy, compact mound of lacy leaves.
Yarrow	Yellow to white to red	Summer		Rocky mountain native, very drought tolerant, requiring no water when established. Fern-like, finely dissected leaves from clumps at the base of the plant. Produced
Yellow Blotch	Deep green foliage, yellow, black	Spring - Fall	4"-6" x 6"-8"	Flowers are edible. This selection from the series features fragrant, bright yellow flowers with a central black 'blotch' and black whiskers. Performs best in regions
Yellow Columbine	Yellow	Summer	24-36"	Recurrent bloom if cut back. Southwestern native.
Yellow Iceplant	Yellow	Summer	1-2"	Mound of succulent leaves turn purplish in winter.
Yellow Jump Up	Deep green foliage, purple, yellow flowers	Spring - Fall	4"-6" x 6"-8"	Also known as Viola, or Horned Violet. The Penny Viola is a popular landscape series that overwinter well thanks to a vigorous root system. They have a compact and uniform habit and display excellent heat tolerance as well as numerous blooms on each plant.
Yellow Nipple Cactus	Yellow	summer	4" x 4"	Grow well in sun, some species also grow well in filtered shade, shade require more water. Some species provide edible fruit, fragrant flowers, Crandall Clove Currant, whose flowers do smell like cloves.
Yellow Primrose	Yellow		15"	Mounding subshrub with narrow leaves; heavy bloomer; well-drained soils
Yellow Storksbill	Pale citron-yellow	Spring - Summer	6" x 12" -24"	Very drought tolerant, dependable success in the Denver area, gentle texture and subtle color makes it a good foil for bolder colors and forms such as Scabiosa
Younique Old Blue	Deep green foliage, light blue, white	Summer - Fall	14"-16" x 16"-18"	Attracts Hummingbirds. Attracts Butterflies. This selection has large flower clusters in dusty blue with white centres. Rates high at being resistant to powdery mildew.
Yucca	Dark green to blue-green, white bell shaped flowers	Summer		Native to the Southwestern United States and Mexico, various forms of stiff sword-like leaves, produce large showy spikes.
Yucca harrimanii	Dark green to blue-green, white bell shaped flowers	Summer		Provide screening of utility areas, Some of the varieties stay very narrow, which can be invaluable in tight spaces where evergreen trees would get far too wide, Be wary of limb breakage in very heavy snows, especially with very narrow varieties such as "Skyrocket". Junipers are native to Colorado and require very little water.
Zagreb	Golden yellow	Summer - Fall	12-18"	Finely dissected, bright green foliage. Deep green thread-like leaves.
Zwanenburg Blue	Deep green foliage, deep blue flowers	Summer - Fall	20"-23" x 18"-23"	Happiest in a sunny, moist site. Divide clumps every 2 to 3 years in spring. Flowers are attractive to butterflies. There are many varieties of Spiderwort available to gardeners, all of them presenting a long display of triangular flowers over a clump of grassy leaves.
